

ATTORNEY GENERAL OF TEXAS  
GREG ABBOTT

July 6, 2011

Mr. Jeffrey L. Moore  
Brown & Hofmeister, L.L.P.

Richardson, Texas 75081

OR2011-09568

Dear Mr. Moore:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 422964.

The Roanoke Police Department (the "department"), which you represent, received a request for information pertaining to a specified incident. You state the department will redact social security numbers pursuant to section 552.147 of the Government Code and Texas driver's license numbers under section 552.130 of the Government Code pursuant to Open Records Decision No. 684 (2009).<sup>1</sup> You claim that the requested information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Initially, we must address the department's obligations under the Act. Section 552.301 describes the procedural obligations placed on a governmental body that receives a written request for information it wishes to withhold. Pursuant to section 552.301(b) of the Government Code, the governmental body must request a ruling from this office and state the exceptions to disclosure that apply within ten business days after receiving the request.

---

<sup>1</sup>Section 552.147(b) of the Government Code authorizes a governmental body to redact a living person's social security number from public release without the necessity of requesting a decision from this office under the Act. Open Records Decision No. 684 (2009) is a previous determination to all governmental bodies authorizing them to withhold ten categories of information, including Texas driver's license numbers under section 552.130 of the Government Code, without the necessity of requesting an attorney general decision.

*See* Gov't Code § 552.301(b). The department states it received the request for information on April 12, 2011. You state the department was closed for business on April 22, 2011. Thus, the ten-business-day deadline for requesting a ruling from this office was April 27, 2011. However, the department did not request a ruling until April 28, 2011. *See id.* § 552.308 (describing rules for calculating submission dates of documents sent via first class United States mail, common or contract carrier, or interagency mail). Consequently, we find the department failed to comply with the requirements of section 552.301.

Pursuant to section 552.302 of the Government Code, a governmental body's failure to comply with the procedural requirements of section 552.301 results in the legal presumption that the information is public. Information that is presumed public must be released unless a governmental body demonstrates a compelling reason to withhold the information to overcome this presumption. *Id.* § 552.302; *Simmons v. Kuzmich*, 166 S.W.3d 342, 350 (Tex. App.—Fort Worth 2005, no pet.); *Hancock v. State Bd. of Ins.*, 797 S.W.2d 379, 381-2 (Tex. App.—Austin 1990, no writ) (governmental body must make compelling demonstration to overcome presumption of openness); Open Records Decision No. 319 (1982). Normally, a compelling reason to withhold information exists where some other source of law makes the information confidential or where third-party interests are at stake. Open Records Decision No. 150 at 2 (1977). The department claims section 552.108 of the Government Code for the submitted information. However, this exception is discretionary in nature. It serves to protect a governmental body's interests and may be waived; as such, section 552.108 does not constitute a compelling reason to withhold information. *See* Open Records Decision No. 177 (1977) (governmental body may waive statutory predecessor to section 552.108); *see also* Open Records Decision Nos. 665 at 2 n.5 (2000) (discretionary exceptions generally), 663 at 5 (1999) (waiver of discretionary exceptions). Accordingly, no portion of the submitted information may be withheld under section 552.108 of the Government Code. As you raise no other exceptions, the department must release the submitted information.<sup>2</sup>

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

---

<sup>2</sup>We note that some of the information being released consists of the requestor's Texas driver's license number, to which the requestor has a right of access. *See* Gov't Code § 552.023(a); Open Records Decision No. 481 at 4 (1987) (privacy theories not implicated when individual or authorized representative asks governmental body to provide information concerning that individual). As previously discussed, Open Records Decision No. 684 is previous determination to all governmental bodies authorizing them to withhold ten categories of information, including a Texas driver's license number under section 552.130 of the Government Code, without the necessity of requesting an attorney general decision. Accordingly, if the department receives another request from an individual other than this requestor, the department is authorized to withhold this requestor's Texas driver's license number under section 552.130 of the Government Code without the necessity of requesting an attorney general decision.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
