Texas Department of Transportation

Dear Ms. Alexander:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the “Act”), chapter 552 of the Government Code. Your request was assigned ID# 423404.

The Texas Department of Transportation (the “department”), received a request for information relating to the requestor’s two interviews with the department. You state some information is being released to the requestor. You claim the remaining requested information is excepted from disclosure under section 552.122 of the Government Code. We have considered the claimed exception and reviewed the submitted representative sample of information.¹

Section 552.122 of the Government Code excepts from disclosure “a test item developed by a . . . governmental body[.]” Gov’t Code § 552.122(b). In Open Records Decision No. 626 (1994), this office determined the term “test item” in section 552.122 includes “any standard means by which an individual’s or group’s knowledge or ability in a particular area is evaluated,” but does not encompass evaluations of an employee’s overall job performance or suitability. ORD 626 at 6. The question of whether specific information falls within the scope of section 552.122(b) must be determined on a case-by-case basis. *Id.* Traditionally, this office has applied section 552.122 where release of “test items” might compromise the

¹ We assume the “representative sample” of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent those records contain substantially different types of information than that submitted to this office.

effectiveness of future examinations. *Id.* at 4-5; *see also* Open Records Decision No. 118 (1976). Section 552.122 also protects the answers to test questions when the answers might reveal the questions themselves. *See* Attorney General Opinion JM-640 at 3 (1987); ORD 626 at 8.

You seek to withhold the submitted interview questions, as well as the preferred and actual answers to those questions, under section 552.122 of the Government Code. You state these questions evaluate an individual's knowledge or ability in particular areas. You inform us the department anticipates using these questions in future interviews and argue that release of this information would compromise the effectiveness of future examinations. Having considered your arguments and reviewed the information at issue, we conclude the submitted interview questions, as well as the preferred and actual answers to these questions, qualify as test items for the purposes of section 552.122(b). Accordingly, we conclude the department may withhold the remaining requested information under section 552.122 of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
