

ATTORNEY GENERAL OF TEXAS
GREG ABBOTT

July 11, 2011

Mr. David D. Menchaca
Assistant General Counsel
Texas Comptroller of Public Accounts
P.O. Box 13528
Austin, Texas 78711-3528

OR2011-09728

Dear Mr. Menchaca:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 423651 (Comptroller ID No. 7193452213).

The Texas Comptroller of Public Accounts (the "comptroller") received a request for four categories of information related to the Revised Franchise Tax. You state you have released some information to the requestor. You claim the submitted information is excepted from disclosure pursuant to section 552.111 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.111 of the Government Code excepts from disclosure "an interagency or intraagency memorandum or letter that would not be available by law to a party in litigation with the agency." Gov't Code § 552.111. This section encompasses the deliberative process privilege. *See* Open Records Decision No. 615 at 2 (1993). The purpose of section 552.111 is to protect advice, opinion, and recommendation in the decisional process and to encourage open and frank discussion in the deliberative process. *See Austin v. City of San Antonio*, 630 S.W.2d 391, 394 (Tex. App.—San Antonio 1982, no writ); Open Records Decision No. 538 at 1-2 (1990). In Open Records Decision No. 615, this office reexamined the predecessor to the section 552.111 exception in light of the decision in *Texas Department of Public Safety v. Gilbreath*, 842 S.W.2d 408 (Tex. App.—Austin 1992, no writ). We determined section 552.111 excepts from disclosure only those internal communications consisting of

advice, recommendations, and opinions reflecting the policymaking processes of the governmental body. *See* ORD 615 at 5. A governmental body's policymaking functions do not encompass internal administrative or personnel matters, and disclosure of information relating to such matters will not inhibit free discussion among agency personnel as to policy issues. *Id.*; *see also City of Garland v. Dallas Morning News*, 22 S.W.3d 351 (Tex. 2000) (section 552.111 not applicable to personnel-related communications that did not involve policymaking). However, a governmental body's policymaking functions do include administrative and personnel matters of broad scope that affect the governmental body's policy mission. *See* Open Records Decision No. 631 at 3 (1995).

Further, section 552.111 does not protect facts and written observations of facts and events that are severable from advice, opinions, and recommendations. *See* ORD 615 at 5. But if factual information is so inextricably intertwined with material involving advice, opinion, or recommendation as to make severance of the factual data impractical, the factual information also may be withheld under section 552.111. *See* Open Records Decision No. 313 at 3 (1982).

This office has also concluded a preliminary draft of a policymaking document that is intended for release in final form is excepted from disclosure in its entirety under section 552.111 because such a draft necessarily represents the advice, recommendations, or opinions of the drafter as to the form and content of the final document. *See* Open Records Decision No. 559 at 2 (1990). Section 552.111 protects factual information in the draft that also will be included in the final version of the document. *See id.* at 2-3. Thus, section 552.111 encompasses the entire contents, including comments, underlining, deletions, and proofreading marks, of a preliminary draft of a policymaking document that will be released to the public in its final form. *See id.* at 2.

You state the submitted information consists of draft franchise tax audit training material that reflects internal recommendations and opinions of the comptroller concerning policymaking issues. You state the draft document will be released in final form. Based on your representations and our review, we conclude the comptroller may withhold the submitted information under section 552.111 of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
