

ATTORNEY GENERAL OF TEXAS

July 19, 2011

Mr. Bill Delmore  
Assistant District Attorney  
Montgomery County District Attorney's Office  
207 West Phillips, 2<sup>nd</sup> Floor  
Conroe, Texas 77301

OR2011-10277

Dear Mr. Delmore:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 426711.

The Montgomery County District Attorney's Office (the "district attorney") received a request for the requestor's personnel file. You state the district attorney is releasing most of the requested information to the requestor. You claim that the submitted information is excepted from disclosure under sections 552.101 and 552.108 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Section 552.108(a)(1) of the Government Code excepts from disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]" Gov't Code § 552.108(a)(1). Generally, a governmental body claiming section 552.108 must reasonably explain how and why the release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). Where an agency has custody of information that would otherwise qualify for exception under section 552.108 as information relating to the pending case of a different law enforcement agency, the custodian of the records may withhold the information only if it provides this office with (1) a demonstration that the information relates to the pending case, and (2) a representation from the entity with the law enforcement interest stating that entity wishes to withhold the information. You state the submitted investigation report and attachments by the Texas Parks and Wildlife Department's Law Enforcement Division

relates to pending criminal cases with the Polk County District Attorney's Office. Further, you have provided correspondence from the Polk County District Attorney's Office objecting to the release of the submitted information because they have current indictments pending in the criminal cases and release would interfere with the prosecution of these ongoing cases. Accordingly, we conclude the release of the information at issue would interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests that are present in active cases), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). Therefore, we find section 552.108(a)(1) of the Government Code is applicable to the submitted information.

However, basic information about an arrested person, an arrest, or a crime is not excepted from disclosure under section 552.108. Gov't Code § 552.108(c). Such basic information refers to the information held to be public in *Houston Chronicle*. *See* 531 S.W.2d at 186-8; *see also* Open Records Decision No. 127 (1976) (summarizing types of information deemed public by *Houston Chronicle*). Thus, with the exception of basic information, which must be released, the district attorney may withhold the submitted information under section 552.108(a)(1) of the Government Code on behalf of the Polk County District Attorney's Office.<sup>1</sup>

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
