Mr. W. Montgomery Meitler
Assistant Counsel
Texas Education Agency
1701 North Congress Avenue
Austin, Texas 78701

OR2011-10332

Dear Mr. Meitler:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 424377 (TEA PIR# 15322).

The Texas Education Agency (the "agency") received a request for the bi-lingual/ESL audit report pertaining to Royal Independent School District (the "district"). You claim the requested information is excepted from disclosure under section 552.116 of the Government Code. We have considered the exception you claim and reviewed the submitted representative sample of information.[1]

Section 552.116 of the Government Code provides as follows:

> (a) An audit working paper of an audit of the state auditor or the auditor of a state agency, an institution of higher education as defined by Section 61.003, Education Code, a county, a municipality, a school district, a hospital district, or a joint board operating under Section 22.074, Transportation Code, including any audit relating to the criminal history

[1]We assume that the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent that those records contain substantially different types of information than that submitted to this office.

> background check of a public school employee, is excepted from [required public disclosure]. If information in an audit working paper is also maintained in another record, that other record is not excepted from [public disclosure] by this section.
>
> (b) In this section:
>
> (1) "Audit" means an audit authorized or required by a statute of this state or the United States, the charter or an ordinance of a municipality, an order of the commissioners court of a county, the bylaws adopted by or other action of the governing board of a hospital district, a resolution or other action of a board of trustees of a school district, including an audit by the district relating to the criminal history background check of a public school employee, or a resolution or other action of a joint board described by Subsection (a) and includes an investigation.
>
> (2) "Audit working paper" includes all information, documentary or otherwise, prepared or maintained in conducting an audit or preparing an audit report, including:
>
> (A) intra-agency and interagency communications; and
>
> (B) drafts of the audit report or portions of those drafts.

Act of May 29, 2011, 82nd Leg., R.S., H.B. 2947, § 1, 2 (to be codified as amendments to Gov't Code § 552.116(a) and (b)(1)). You state the submitted information consists of audit working papers prepared or maintained by "[the agency's] Division of Program Monitoring and Interventions in conjunction with an audit of the [district]." You state these types of audits are authorized under section 7.028 of the Education Code and section 80.40 of title 34 of the Code of Federal Regulations. *See* Educ. Code § 7.028 (authorizing agency to monitor charter school compliance with educational programs as necessary to ensure compliance with federal law, regulations, and financial accountability); 34 C.F.R. § 80.40(a) (requiring agency to monitor grant and subgrant supported activities to assure compliance with applicable federal requirements). Based on your representations and our review of the information at issue, we agree section 552.116 is applicable in this instance. We therefore conclude the agency may withhold the submitted information pursuant to section 552.116 of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
