<sup>2</sup>We assume that the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent that those records contain substantially different types of information than that submitted to this office.

or prosecution of crime only in relation to an investigation that did not result in conviction or deferred adjudication[.]” Gov’t Code § 552.108(a)(2). A governmental body claiming section 552.108(a)(2) must demonstrate that the requested information relates to a criminal investigation that has concluded in a final result other than conviction or deferred adjudication. *See id.* §§ 552.108(a)(2), .301(e)(1)(A) (governmental body must provide comments explaining why exceptions raised should apply to information requested).

You state that the submitted information is held by the prosecution division of the city attorney’s office and relates to a concluded case that did not result in a conviction or deferred adjudication. Based on your representation and our review, we find that the submitted information relates to a criminal case that has concluded in a final result other than conviction or deferred adjudication. Therefore, the city may withhold the submitted information under section 552.108(a)(2) of the Government Code.
