

ATTORNEY GENERAL OF TEXAS  
GREG ABBOTT

July 26, 2011

Ms. Susan Fillion  
Assistant County Attorney  
Harris County Attorney's Office  
1019 Congress, 15<sup>th</sup> Floor  
Houston, Texas 77002

OR2011-10753

Dear Ms. Fillion:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 429326 (C.A. File No. 11PIA0234).

The Harris County Institute of Forensic Sciences (the "institute") received a request for a specified autopsy report. You claim the requested information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the information you submitted.

We first note the institute did not comply with its deadlines under section 552.301 of the Government Code in requesting this decision. Section 552.301 prescribes procedures a governmental body must follow in asking this office to determine whether requested information is excepted from public disclosure. *See* Gov't Code § 552.301(a). Section 552.301(b) requires the governmental body to ask for the attorney general's decision and claim its exceptions to disclosure not later than the tenth business day after the date of its receipt of the written request for information. *See id.* § 552.301(b). Section 552.301(e) requires the governmental body to submit to this office, not later than the fifteenth business day after the date of its receipt of the request, (1) written comments stating why the governmental body's claimed exceptions apply to the information at issue; (2) a copy of the request for information; (3) a signed statement of the date of the governmental body's receipt of the request or evidence sufficient to establish the date of receipt; and (4) the specific information at issue or representative samples if the information is voluminous. *See id.* § 552.301(e)(1)(A)-(D). Section 552.302 of the Government Code provides that if a governmental body fails to comply with section 552.301, the requested information is

presumed to be subject to required public disclosure and must be released, unless there is a compelling reason to withhold any of the information. *See id.* § 552.302; *Simmons v. Kuzmich*, 166 S.W.3d 342 (Tex. App.—Fort Worth 2005, no pet.); *Hancock v. State Bd. of Ins.*, 797 S.W.2d 379, 381 (Tex. App.—Austin 1990, no writ).

You inform us the institute received the instant request for information on June 23, 2011; therefore, the institute's deadlines under subsections 552.301(b) and 552.301(e) were July 8 and 15, respectively. The institute did not claim an exception to disclosure or submit the request for information and the information at issue to this office until July 18. Thus, the institute did not comply with section 552.301, and the submitted information is therefore presumed public under section 552.302. This statutory presumption can generally be overcome when information is confidential by law or third-party interests are at stake. *See* Open Records Decision Nos. 630 at 3 (1994), 325 at 2 (1982). The institute claims section 552.108 of the Government Code, which is a discretionary exception to disclosure that protects a governmental body's interests and may be waived. *See* Gov't Code § 552.007; Open Records Decision Nos. 665 at 2 n.5 (2000) (discretionary exceptions generally), 663 at 5 (1999) (waiver of discretionary exceptions), 177 at 3 (1977) (statutory predecessor to Gov't Code § 552.108 subject to waiver). Nevertheless, the interests under section 552.108 of a governmental body other than the one that failed to comply with section 552.301 can provide a compelling reason for non-disclosure under section 552.302. *See* Open Records Decision No. 586 at 2-3 (1991). You inform us the Harris County District Attorney's Office (the "district attorney") asserts a law enforcement interest in the information at issue. Therefore, we will determine whether the institute may withhold the submitted information on behalf of the district attorney under section 552.108.

Section 552.108 of the Government Code exempts from disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]" Gov't Code § 552.108(a)(1). A governmental body must reasonably explain how and why section 552.108 is applicable to the information at issue. *See id.* § 552.301(e)(1)(A); *Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). Section 552.108 may be invoked by the proper custodian of information relating to a pending investigation or prosecution of criminal conduct. *See* Open Records Decision No. 474 at 4-5 (1987). Where a non-law enforcement agency has custody of information that would otherwise qualify for exception under section 552.108 as information relating to the pending case of a law enforcement agency, the custodian of the records may withhold the information if it provides this office with a demonstration that the information relates to the pending case and a representation from the law enforcement agency that it wishes to have the information withheld.

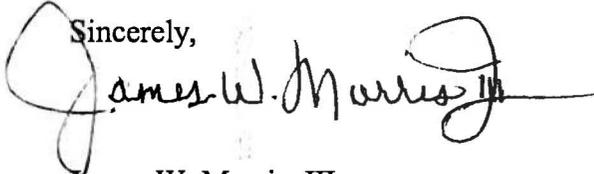

You inform us, and have provided an affidavit stating, the district attorney objects to disclosure of the submitted information because its release would interfere with a pending criminal prosecution. Based on your representations and the submitted affidavit, we conclude the institute may withhold the submitted information under section 552.108(a)(1) of the Government Code. *See Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d

177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests present in active cases), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976).

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
