OR2011-10891

Dear Ms. Benton:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 429553 (LGL-11-877).

The Waco Police Department (the "department") received a request for information pertaining to a named individual. You indicate you are releasing some information to the requestor. You claim some of the submitted information is excepted from disclosure under sections 552.101 and 552.130 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision" and encompasses information made confidential by statute. Gov't Code § 552.101. This exception encompasses information protected by other statutes, such as section 550.065 of the Transportation Code. Section 550.065(b) provides that except as provided by subsection (c) or subsection (e), accident reports are privileged and confidential. *See* Transp. Code § 550.065(b). Section 550.065(c)(4) provides for the release of accident reports to a person who provides two of the following three pieces of information: (1) date of the accident; (2) name of any person involved in the accident; and (3) specific location of the accident. *Id.* § 550.065(c)(4). The requestor has not provided the department with two of the three requisite pieces of information specified by the statute. Accordingly, the department must withhold the submitted CR-3 accident report forms under section 552.101 in conjunction with section 550.065(b).

Section 552.101 also encompasses criminal history record information (“CHRI”) generated by the National Crime Information Center or by the Texas Crime Information Center. Title 28, part 20 of the Code of Federal Regulations governs the release of CHRI states obtain from the federal government or other states. Open Records Decision No. 565 (1990). The federal regulations allow each state to follow its individual law with respect to CHRI it generates. *Id.* Section 411.083 of the Government Code deems confidential CHRI the Texas Department of Public Safety (“DPS”) maintains, except DPS may disseminate this information as provided in chapter 411, subchapter F of the Government Code. *See* Gov’t Code § 411.083. Sections 411.083(b)(1) and 411.089(a) authorize a criminal justice agency to obtain CHRI; however, a criminal justice agency may not release CHRI except to another criminal justice agency for a criminal justice purpose. *Id.* § 411.089(b)(1). Other entities specified in chapter 411 of the Government Code are entitled to obtain CHRI from DPS or another criminal justice agency; however, those entities may not release CHRI except as provided by chapter 411. *See generally id.* §§ 411.090-.127. Furthermore, any CHRI obtained from DPS or any other criminal justice agency must be withheld under section 552.101 of the Government Code in conjunction with chapter 411, subchapter F. We note that because the laws governing the dissemination of information obtained from NCIC and TCIC are based on both law enforcement and privacy interests, the CHRI of a deceased individual that is obtained from a criminal justice agency may be disseminated only as permitted by subchapter F of chapter 411 of the Government Code. *See* ORD 565 at 10-12. Upon review, we find a portion of the submitted information, which we have marked, constitutes CHRI generated by the FBI which the department must withhold under section 552.101 of the Government Code in conjunction with chapter 411 of the Government Code.

Section 552.130 of the Government Code provides in relevant part:

(a) Information is excepted from the requirements of Section 552.021 if the information relates to:

- (1) a motor vehicle operator’s or driver’s license or permit issued by an agency of this state or another state or country;
- [or]
- (2) a motor vehicle title or registration issued by an agency of this state or another state or country[.]

Act of May 24, 2011, 82nd Leg., R.S., S.B. 1638, § 4 (to be codified as an amendment to Gov’t Code § 552.130). The department must therefore withhold the motor vehicle record information you have marked, and the additional information we have marked, under section 552.130 of the Government Code.¹

¹We note this office issued Open Records Decision No. 684 (2009), a previous determination to all governmental bodies authorizing them to withhold ten categories of information, including a Texas driver’s license number and a Texas license plate number under section 552.130 of the Government Code, without the necessity of requesting an attorney general decision.

In summary, the department must withhold the submitted CR-3 accident report forms under section 552.101 in conjunction with section 550.065(b). The department must withhold the CHRI we have marked under section 552.101 of the Government Code in conjunction with chapter 411 of the Government Code. The department must withhold the Texas motor vehicle record information you have marked and the additional information we have marked under section 552.130 of the Government Code. The department must release the remaining information.²

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
