

ATTORNEY GENERAL OF TEXAS  
GREG ABBOTT

July 29, 2011

Mr. Joe Torres, III  
Attorney at Law  
216 North Texas Boulevard, Suite 2  
Alice, Texas 78332

OR2011-10904

Dear Mr. Torres:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 425573.

The City of Alice (the "city"), which you represent, received a request for the name and age of the individuals arrested, the narrative, and supplement report related to a specified incident. You claim the requested information is excepted from disclosure under sections 552.101 and 552.108 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Initially, we note the requestor seeks the name and age of the individuals arrested, the narrative, and supplement report related to a specified incident. You have submitted documents that contain information beyond these specified pieces of information. Thus, the portions of the submitted documents that do not consist of the name and age of the individuals arrested, the narrative, and supplement report are not responsive to the present request. This ruling does not address the public availability of any information that is not responsive to the request and the city is not required to release that information in response to the request.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This exception encompasses information other statutes make confidential, such as section 58.007 of the Family Code. Juvenile law enforcement records relating to conduct that occurred on or after September 1, 1997 are confidential under section 58.007 of the Family Code. The relevant language of section 58.007(c) reads as follows:

(c) Except as provided by Subsection (d), law enforcement records and files concerning a child and information stored, by electronic means or otherwise, concerning the child from which a record or file could be generated may not be disclosed to the public and shall be:

(1) if maintained on paper or microfilm, kept separate from adult files and records;

(2) if maintained electronically in the same computer system as records or files relating to adults, be accessible under controls that are separate and distinct from controls to access electronic data concerning adults; and

(3) maintained on a local basis only and not sent to a central state or federal depository, except as provided by Subchapters B, D, and E.

Fam. Code § 58.007(c). For purposes of section 58.007(c), "child" means a person who is ten years of age or older and under seventeen years of age. *See id.* § 51.02(2). The responsive information relates to juvenile delinquent conduct that occurred after September 1, 1997. *See id.* § 51.03 (defining "delinquent conduct" for purposes of Fam. Code § 58.007). It does not appear that any of the exceptions in section 58.007 apply. Therefore, we find the responsive information is confidential under section 58.007(c) of the Family Code, and must be withheld under section 552.101 of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
