Mr. Ronald J. Bounds  
Assistant City Attorney  
City of Corpus Christi  
P.O. Box 9277

OR2011-10933

Dear Mr. Bounds:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 425757.

The City of Corpus Christi (the "city") received a request for an "electronic record of the 2009-2010 fiscal year budget for the [city's] Local Emergency Planning Committee" (the "committee"), a "record of what the [c]ommittee has requested for the 2011-2012 fiscal year," and a specified committee map. You state the city has released some of the requested information. You claim the submitted information is excepted from disclosure under sections 552.106 and 552.111 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Section 552.111 of the Government Code excepts from disclosure "an interagency or intraagency memorandum or letter that would not be available by law to a party in litigation with the agency." Gov't Code § 552.111. Section 552.111 encompasses the deliberative process privilege. *See* Open Records Decision No. 615 at 2 (1993). The purpose of section 552.111 is to protect advice, opinion, and recommendation in the decisional process and to encourage open and frank discussion in the deliberative process. *See Austin v. City of San Antonio*, 630 S.W.2d 391, 394 (Tex. App.—San Antonio 1982, no writ); Open Records Decision No. 538 at 1-2 (1990).

In Open Records Decision No. 615, this office reexamined the statutory predecessor to section 552.111 in light of the decision in *Texas Department of Public Safety v. Gilbreath*, 842 S.W.2d 408 (Tex. App.—Austin 1992, no writ). We determined section 552.111 excepts from disclosure only those internal communications that consist of advice, recommendations, opinions, and other material reflecting the policymaking processes

of the governmental body. ORD 615 at 5; *see also City of Garland v. Dallas Morning News*, 22 S.W.3d 351, 364 (Tex. 2000); *Arlington Indep. Sch. Dist. v. Texas Attorney Gen.*, 37 S.W.3d 152 (Tex. App.—Austin 2001, no pet.). A governmental body's policymaking functions do include administrative and personnel matters of broad scope that affect the governmental body's policy mission. *See* Open Records Decision No. 631 at 3 (1995). However, a governmental body's policymaking functions do not encompass routine internal administrative or personnel matters, and disclosure of information about such matters will not inhibit free discussion of policy issues among agency personnel. ORD 615 at 5-6; *see also Dallas Morning News*, 22 S.W.3d at 364 (section 552.111 not applicable to personnel-related communications that did not involve policymaking).

Further, section 552.111 does not generally except from disclosure facts and written observations of facts and events that are severable from advice, opinions, and recommendations. *Arlington Indep. Sch. Dist.*, 37 S.W.3d at 157; ORD 615 at 5. But if factual information is so inextricably intertwined with material involving advice, opinion, or recommendation as to make severance of the factual data impractical, the factual information also may be withheld under section 552.111. *See* Open Records Decision No. 313 at 3 (1982).

This office also has concluded a preliminary draft of a document that has been or is intended for public release in its final form necessarily represents the drafter's advice, opinion, and recommendation with regard to the form and content of the final document, so as to be excepted from disclosure under section 552.111. *See* Open Records Decision No. 559 at 2 (1990) (applying statutory predecessor). Section 552.111 protects factual information in the draft that also will be included in the final version of the document. *See id.* at 2-3. Thus, section 552.111 encompasses the entire contents, including comments, underlining, deletions, and proofreading marks, of a preliminary draft of a policymaking document that will be released to the public in its final form. *See id.* at 2.

You inform us the submitted information constitutes drafts of proposed budgetary allocation documents submitted by the committee to the city's management staff for review. You contend the submitted information contains advice, opinion, and recommendations of the committee to the city's management staff regarding policymaking matters as to the planned budget. You further explain the city has not yet approved of these budgetary allocations, but the draft documents will be released to the public in their final form. Upon review, we find the submitted information constitutes drafts of policymaking documents, and determine the city may withhold this information under section 552.111 of the Government Code.<sup>1</sup>

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

---

<sup>1</sup>As our ruling is dispositive, we need not address your remaining argument against disclosure of the submitted information.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
