Dear Ms. Villarreal:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 430199 (City of Waco Ref. # LG-11-881).

The City of Waco (the "city") received a request for information pertaining to a specified incident. You claim portions of the submitted information are excepted from disclosure under section 552.130 of the Government Code. This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent that those records contain substantially different types of information than that submitted to this office.

²The Office of the Attorney General will raise a mandatory exception like section 552.101 on behalf of a governmental body, but ordinarily will not raise other exceptions. *Open Records Decision Nos. 481 (1987), 480 (1987), 470 (1987).*

reports are privileged and for the confidential use of certain specified entities. Transp. Code § 550.065(b). The submitted ST-3 crash report was completed pursuant to chapter 550 of the Transportation Code. *See id.* § 550.064 (officer's accident report). Section 550.065(c)(4) provides for the release of accident reports to a person who provides two of the following three pieces of information: (1) the date of the accident; (2) the name of any person involved in the accident; and (3) the specific location of the accident. *Id.* § 550.065(c)(4). Under this provision, a governmental entity is required to release a copy of an accident report to a person who provides two or more pieces of information specified by the statute. *Id.* In this instance, the requestor has not provided the city with at least two of the three items of information specified by section 550.065(c)(4). Therefore, the city must withhold the submitted ST-3 crash report pursuant to section 552.101 of the Government Code in conjunction with section 550.065(b) of the Transportation Code. As our ruling is dispositive, we need not address your remaining argument.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
