

ATTORNEY GENERAL OF TEXAS  
GREG ABBOTT

August 9, 2011

Mr. Robert Almonte  
Assistant City Attorney  
City of El Paso  
2 Civic Center Plaza, 9<sup>th</sup> Floor  
El Paso, Texas 79901

OR2011-11447

Dear Mr. Almonte:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 430755.

The El Paso Police Department (the "department") received a request for information pertaining to a specified accident. You state some information has been released to the requestor. You claim the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.108(a)(1) excepts from disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]" Gov't Code § 552.108(a)(1). A governmental body claiming section 552.108 must reasonably explain how and why the release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). You state, and provide documentation from the Office of the District Attorney for the 34<sup>th</sup> Judicial District stating, the submitted information relates to a pending prosecution. Based on these representations, we find that release of the information would interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ.

App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests that are present in active cases), *writ ref'd n.r.e. per curium*, 536 S.W.2d 559 (Tex. 1976).

We note, however, the information at issue includes a DIC-24 statutory warning and a DIC-25 notice of suspension. The arrestee was provided copies of these forms. You have not explained how releasing this information, which has already been seen by the arrestee, would interfere with the detection, investigation, or prosecution of crime. *See* Gov't Code § 552.108(a)(1). Accordingly, the DIC-24 and DIC-25 forms may not be withheld under section 552.108.

Additionally, section 552.108 does not except from disclosure “basic information about an arrested person, an arrest, or a crime.” *Id.* § 552.108(c). Section 552.108(c) refers to the basic “front-page” information held to be public in *Houston Chronicle*. *See* 531 S.W.2d at 186-187; *see also* Open Records Decision No. 127 (1976) (summarizing types of information considered to be basic information). Accordingly, with the exception of the DIC-24 and DIC-25 forms and basic information, the department may withhold the remaining information under section 552.108(a)(1).

Finally, we note the statutory warning and notice of suspension contain a driver's license number. Section 552.130 of the Government Code excepts from disclosure information relating to a motor vehicle operator's or driver's license or permit issued by an agency of this state.<sup>1</sup> Act of May 24, 2011, 82<sup>nd</sup> Leg., R.S., S.B. 1638, § 4 (to be codified as an amendment to Gov't Code § 552.130). The department must withhold the driver's license number we have marked under section 552.130.<sup>2</sup>

In summary, except for the marked driver's license number, which the department must withhold under section 552.130 of the Government Code, the DIC-24 and DIC-25 forms must be released. Except for basic information, which must be released, the department may withhold the remaining information under section 552.108(a)(1) of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

---

<sup>1</sup>The Office of the Attorney General will raise a mandatory exception on behalf of a governmental body, but ordinarily will not raise other exceptions. *See* Open Records Decision Nos. 481 (1987), 480 (1987), 470 (1987).

<sup>2</sup>Open Records Decision No. 684 (2009) is a previous determination to all governmental bodies authorizing them to withhold ten categories of information, including a Texas driver's license number under section 552.130 of the Government Code, without the necessity of requesting an attorney general decision.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at [http://www.oag.state.tx.us/open/index\\_orl.php](http://www.oag.state.tx.us/open/index_orl.php), or call the Office of the Attorney General's Open Government Hotline, toll free, at (877) 673-6839. Questions concerning the allowable charges for providing public information under the Act must be directed to the Cost Rules Administrator of the Office of the Attorney General, toll free, at (888) 672-6787.

Sincerely,

Ana Carolina Vieira
