Ms. Ashley D. Fourt
Assistant District Attorney
Tarrant County
401 West Belknap
Fort Worth, Texas 76196-0201

OR2011-11592

Dear Ms. Fourt:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 431037.

The Tarrant County Medical Examiner's Office (the "medical examiner") received a request for a specified autopsy report. You claim the requested information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.108 of the Government Code excepts from disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]" Gov't Code § 552.108(a)(1). A governmental body must reasonably explain how and why section 552.108 is applicable to the information at issue. *See id.* § 552.301(e)(1)(A); *Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). Section 552.108 may be invoked by the proper custodian of information relating to a pending investigation or prosecution of criminal conduct. *See* Open Records Decision No. 474 at 4-5 (1987). Where a non-law enforcement agency has custody of information that would otherwise qualify for exception under section 552.108 as information relating to the pending case of a law enforcement agency, the custodian of the records may withhold the information if it provides this office with a demonstration that the information relates to the pending case

and a representation from the law enforcement agency that it wishes to have the information withheld.

You state that the submitted information is related to a pending criminal investigation by the Arlington Police Department (the "department"). You state, and provide documentation showing, that the department objects to disclosure of the submitted information because release would interfere with the investigation of a crime. Based on these representations, we conclude that the medical examiner may withhold the submitted information under section 552.108(a)(1) of the Government Code. *See Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976) (court delineates law enforcement interests that are present in active cases).

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
