

ATTORNEY GENERAL OF TEXAS
GREG ABBOTT

August 19, 2011

Mr. Charles H. Weir
Assistant City Attorney
City of San Antonio
P.O. Box 839966
San Antonio, Texas 78283-3966

OR2011-12054

Dear Mr. Weir:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 431978 (COSA File No. W002308).

The San Antonio Police Department (the "department") received a request for information relating to a specified case number. You claim the requested information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the information you submitted.

We note the department did not comply with section 552.301 of the Government Code in requesting this decision. Section 552.301 prescribes procedures a governmental body must follow in asking this office to determine whether requested information is excepted from public disclosure. *See* Gov't Code § 552.301(a). Section 552.301(b) requires the governmental body to ask for the attorney general's decision and claim its exceptions to disclosure not later than the tenth business day after the date of its receipt of the written request for information. *See id.* § 552.301(b). Section 552.302 of the Government Code provides that if a governmental body fails to comply with section 552.301, the requested information is presumed to be subject to required public disclosure and must be released, unless there is a compelling reason to withhold any of the information. *See id.* § 552.302; *Simmons v. Kuzmich*, 166 S.W.3d 342 (Tex. App.—Fort Worth 2005, no pet.); *Hancock v. State Bd. of Ins.*, 797 S.W.2d 379, 381 (Tex. App.—Austin 1990, no writ). You inform us the department received the present request for information on July 15, 2011; therefore, the

department's ten-business-day deadline under subsection 552.301(b) was July 29. The department requested this decision by United States Mail meter-marked August 1. Thus, the department did not comply with section 552.301, and the submitted information is therefore presumed to be public under section 552.302. This statutory presumption can generally be overcome when information is confidential by law or third-party interests are at stake. *See* Open Records Decision Nos. 630 at 3 (1994), 325 at 2 (1982). The department claims section 552.108 of the Government Code, which is a discretionary exception to disclosure that protects a governmental body's interests and may be waived. *See* Gov't Code § 552.007; Open Records Decision Nos. 665 at 2 n.5 (2000) (discretionary exceptions generally), 663 at 5 (1999) (waiver of discretionary exceptions), 177 at 3 (1977) (statutory predecessor to Gov't Code § 552.108 subject to waiver). Nevertheless, the interests under section 552.108 of a governmental body other than the one that failed to comply with section 552.301 can provide a compelling reason for non-disclosure under section 552.302. *See* Open Records Decision No. 586 at 2-3 (1991). In this instance, the Bexar County District Attorney's Office (the "district attorney") asserts a law enforcement interest in the information at issue. Therefore, we will determine whether the department may withhold the submitted information on behalf of the district attorney under section 552.108.

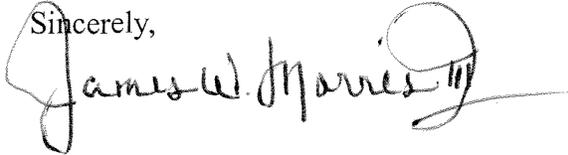

Section 552.108(a)(1) of the Government Code excepts from disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]" Gov't Code § 552.108(a)(1). A governmental body must reasonably explain how and why section 552.108 is applicable to the information at issue. *See id.* § 552.301(e)(1)(A); *Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). You have provided a letter from the district attorney's office stating release of the submitted information would interfere with a pending criminal investigation. Based on the district attorney's letter, we conclude section 552.108(a)(1) is generally applicable to the information at issue. *See Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests present in active cases), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976).

We note section 552.108 does not except from disclosure "basic information about an arrested person, an arrest, or a crime." Gov't Code § 552.108(c). Section 552.108(c) refers to the basic front-page information held to be public in *Houston Chronicle*. *See* 531 S.W.2d at 186-88. The department must release basic information, including a detailed description of the offense, even if the information does not literally appear on the front page of an offense or arrest report. *See* Open Records Decision No. 127 at 3-4 (1976) (summarizing types of information deemed public by *Houston Chronicle*). The department may withhold the rest of the submitted information under section 552.108(a)(1) of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
