Dear Ms. Brown:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 428264 (Plano # MCCP060811).

The Plano Police Department (the "department") received a request for the dash cam video regarding a specified incident. You claim some of the submitted information is excepted from disclosure under section 552.130 of the Government Code. We have considered the claimed exception and reviewed the submitted information.

Section 552.130 of the Government Code excepts from disclosure "information [that] relates to (1) a motor vehicle operator's or driver's license or permit issued by an agency of this state or another state or country; [or] (2) a motor vehicle title or registration issued by an agency of this state or another state or country[.]" Act of May 24, 2011, 82nd Leg., R.S., S.B. 1638, § 4 (to be codified as an amendment to Gov't Code § 552.130). The submitted video contains discernible license plate numbers. You state the department does not have the ability to redact information from the submitted video. Therefore, the department must withhold the video in its entirety under section 552.130. *See* Open Records Decision No. 364 (1983).

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.
