Ms. Lillian Guillen Graham  
Assistant City Attorney  
City of Mesquite  
P.O. Box 850137  
Mesquite, Texas 75185

OR2011-12615

Dear Ms. Graham:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 428529.

The City of Mesquite (the "city") received a request for any historical building permits or fire department inspections related to a specified address. You claim the submitted information is excepted from disclosure under sections 552.101 and 552.130 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses section 1702.284(a) of the Occupations Code, which provides:

Information contained in alarm systems records maintained by a governmental body that concerns the location of an alarm system, the name of the occupant of an alarm system location, or the type of alarm system used is confidential and may be disclosed only to the [Texas Private Security Board], to the alarm company to which the confidential records relate, or as otherwise required by state law or court order.

Occ. Code § 1702.284(a); *see also id.* § 1702.002(1)(A)(ii) (defining “alarm system” as electronic equipment and devices designed to detect or signal the occurrence of a robbery or other emergency). Upon review, we find the information we have marked consists of alarm system information made confidential by section 1702.284. Accordingly, the city must withhold the information we have marked under section 552.101 of the Government Code in conjunction with section 1702.284 of the Occupations Code. However, you have failed to demonstrate how any portion of the remaining information concerns the location of an alarm system, the name of the occupant of an alarm system location, or the type of alarm system used. Accordingly, no portion of the remaining information may be withheld under section 552.101 of the Government Code in conjunction with section 1702.284 of the Occupations Code. *See* Open Records Decision Nos. 658 at 4 (1998) (statutory confidentiality provision must be express, and confidentiality requirement will not be implied from statutory structure), 649 at 3 (1996) (language of confidentiality provision controls scope of its protection).

Section 552.130 of the Government Code exempts from disclosure information related to a motor vehicle operator’s or driver’s license or permit issued by an agency of this state or another state or country and information related to a motor vehicle title or registration issued by an agency of this state or another state or country. Act of May 24, 2011, 82nd Leg., R.S., S.B. 1638, § 4 (to be codified as an amendment to Gov’t Code § 552.130). Accordingly, the city must withhold the information you have marked and the information we have marked under section 552.130 of the Government Code.<sup>1</sup>

In summary, the city must withhold the information we have marked under section 552.101 of the Government Code in conjunction with section 1702.284 of the Occupations Code. The city must withhold the information you have marked and the information we have marked under section 552.130 of the Government Code. The city must release the remaining information.
