September 2, 2011

Mr. Benjamin Sampract
Assistant City Attorney
City of Fort Worth
1000 Throckmorton Street
Fort Worth, Texas 76102

OR2011-12767

Dear Mr. Sampract:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 428748 (Fort Worth ID# W009718).

The City of Fort Worth (the "city") received a request for records relating to food poisoning at a specified restaurant during a specified time period. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses section 81.046 of the Health and Safety Code, which provides:

- (a) Reports, records, and information received from any source, including from a federal agency or from another state, furnished to a public health district, a health authority, a local health department, or the [Texas Department of State Health Services] that relate to cases or suspected cases of diseases or health conditions are confidential and may be used only for the purposes of this chapter.
- (b) Reports, records, and information relating to cases or suspected cases of diseases or health conditions are not public information under Chapter 552,

Government Code, and may not be released or made public on subpoena or otherwise except as provided by Subsections (c), (d), and (f).

Health & Safety Code § 81.046(a), (b). In Open Records Decision No. 577 (1990), this office concluded that any information acquired or created during an investigation under chapter 81 is confidential and may not be released unless it is subject to an exception set out in the statute. You state the submitted information consists of records relating to an investigation by the city's Consumer Health Division concerning an outbreak of foodborne illnesses. You further state the information was furnished to, gathered or created by the city's Consumer Health Division pursuant to the provisions of chapter 81. Thus, we agree that section 81.046(b) governs the release of this information. You do not inform us that any of the release provisions of section 81.046 are applicable in this instance. Accordingly, based upon your representations and our review of the responsive information, we agree the city must withhold the submitted information under section 552.101 of the Government Code in conjunction with section 81.046 of the Health and Safety Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
