Mr. Charles H. Weir
Assistant City Attorney
City of San Antonio
P.O. Box 839966
San Antonio, Texas 78283-3966

OR2011-12966

Dear Mr. Weir:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 434000 (#W002671).

The San Antonio Police Department (the "department") received a request for information pertaining to specified car accidents. You claim the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted information.[1]

Initially, we note the submitted information contains a CR-3 accident report form completed pursuant to chapter 550 of the Transportation Code. *See* Transp. Code § 550.064 (officer's accident report). Section 550.065(b) of the Transportation Code states that except as provided by subsection (c) or (e), accident reports are privileged and for the confidential use of certain specified entities. *Id.* § 550.065(b). Section 550.065(c)(4) provides for the release of accident reports to a person who provides two of the following three pieces of information: (1) the date of the accident; (2) the name of any person involved in the

[1]We note the submitted information consists of information relating to only one of the specified car accident. We assume the department has released any responsive information relating to the remaining requested accident, to the extent such information existed when the department received the present request for information. If not, then any such information must be released immediately. *See* Gov't Code §§ 552.221, .301, .302; Open Records Decision No. 664 (2000).

accident; and (3) the specific location of the accident. *Id.* § 550.065(c)(4). Under this provision, a governmental entity is required to release a copy of an accident report to a person who provides two or more pieces of information specified by the statute. *Id.* In this instance, the requestor has provided the department with the requisite pieces of information. Although you seek to withhold this information under section 552.108 of the Government Code, we note information that is specifically made public by statute may not be withheld from the public under any of the exceptions to public disclosure under the Act. *See, e.g.*, Open Records Decision Nos. 544 (1990), 378 (1983), 161 (1977), 146 (1976). Accordingly, the department must release the submitted CR-3 accident report pursuant to section 550.065(c)(4) of the Transportation Code.

We next address your claim under section 552.108 of the Government Code for the remaining information. Section 552.108(a)(1) excepts from disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime [if] release of the information would interfere with the detection, investigation, or prosecution of crime[.]" Gov't Code § 552.108(a)(1). A governmental body claiming section 552.108 must reasonably explain how and why the release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). You state the submitted information relates to an open criminal investigation. Based on this representation, we find that release of the information would interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests that are present in active cases), *writ ref'd n.r.e. per curium*, 536 S.W.2d 559 (Tex. 1976).

We note, however, the information at issue includes a DIC-24 statutory warning and a DIC-25 notice of suspension. The arrestee was provided copies of these forms. You have not explained how releasing this information, which has already been seen by the arrestee, would interfere with the detection, investigation, or prosecution of crime. *See* Gov't Code § 552.108(a)(1). Accordingly, the DIC-24 and DIC-25 forms may not be withheld under section 552.108.

Additionally, section 552.108 does not except from disclosure "basic information about an arrested person, an arrest, or a crime." *Id.* § 552.108(c). Section 552.108(c) refers to the basic "front-page" information held to be public in *Houston Chronicle*. *See* 531 S.W.2d at 186-187; *see also* Open Records Decision No. 127 (1976) (summarizing types of information considered to be basic information). Accordingly, with the exception of the DIC-24 statutory warning and DIC-25 forms and basic information, the department may withhold the remaining submitted information under section 552.108(a)(1) of the Government Code.

Finally, we note the DIC-24 statutory warning and DIC-25 notice of suspension contains a driver's license number. Section 552.130 of the Government Code excepts from disclosure information relating to a motor vehicle operator's or driver's license or permit.[2] Act of May 24, 2011, 82nd Leg., R.S., S.B. 1638, § 4 (to be codified as an amendment to Gov't Code § 552.130). The department must withhold the driver's license number we have marked under section 552.130.[3]

In summary, the department must release the submitted CR-3 accident report pursuant to section 550.065(c)(4) of the Transportation Code. Except for the marked driver's license number, which the department must withhold under section 552.130 of the Government Code, the DIC-24 statutory warning and DIC-25 notice of suspension must be released. The department may withhold the remaining submitted information under section 552.108(a)(1) of the Government Code, except for the basic information that must be released under section 552.108(c) of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
