

ATTORNEY GENERAL OF TEXAS
GREG ABBOTT

September 9, 2011

Ms. Zeena Angadicheril
Office of the General Counsel
The University of Texas System
201 West Seventh Street
Austin, Texas 78701-2902

OR2011-13021

Dear Ms. Angadicheril:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 429371 (U.T. OGC No. 138109).

The University of Texas at Austin (the "university") received a request for information pertaining to a named individual. You state the university is releasing some of the requested information. You state the university has redacted student-identifiable information pursuant to the Family Educational Rights and Privacy Act ("FERPA"), 20 U.S.C. § 1232(g).¹ You claim some of the remaining requested information is not subject to the Act and some of the information is subject to previous determinations of this office. You also claim the remaining requested information is excepted from disclosure under sections 552.101, 552.107, 552.117, 552.136, and 552.137 of the Government Code.

¹We note the United States Department of Education Family Policy Compliance Office (the "DOE") has informed this office that FERPA does not permit a state educational agency or institution to disclose to this office, without parental or an adult student's consent, unredacted, personally identifiable information contained in education records for the purpose of our review in the open records ruling process under the Act. *See* 34 C.F.R. § 99.3 (defining "personally identifiable information"). The DOE has determined that FERPA determinations must be made by the educational institution from which the education records were obtained. A copy of the DOE's letter to this office may be found on the Office of the Attorney General's website: <http://www.oag.state.tx.us/open/20060725usdoe.pdf>.

We have considered your arguments and reviewed the submitted representative sample of information.²

You first assert the University of Texas Electronic Identification Numbers (“UTEIDs”) contained in the information at issue are not subject to the Act. In Open Records Decision No. 581 (1990), this office determined certain computer information, such as source codes, documentation information, and other computer programming, that has no significance other than its use as a tool for the maintenance, manipulation, or protection of public property is not the kind of information made public under section 552.021 of the Government Code. You inform our office that, when combined with an individual’s password, the UTEID serves as “the required log on protocol to access the computer mainframe, the [u]niversity’s centralized hub that runs all its high-level electronic functions.” You indicate the UTEIDs are used solely to access the university’s computer mainframe and have no other significance other than their use as tools for the maintenance, manipulation, or protection of public information. Based on your representations and our review, we find the UTEIDs contained in the information at issue do not constitute public information under section 552.002 of the Government Code. Therefore, the submitted UTEIDs are not subject to the Act and need not be released to the requestor.

Next, you state some of the information at issue was the subject of previous requests for information, as a result of which this office issued Open Records Letter Nos. 2011-12210 (2011), 2011-05767 (2011), 2011-05608 (2011), 2011-04036 (2011), 2011-00488 (2011), 2011-00418 (2011), and 2011-00356 (2011). You state the law, facts, and circumstances on which the prior rulings were based have not changed. Thus, we conclude the university must continue to rely on these rulings as previous determinations and withhold or release the previously ruled upon information in accordance with the prior rulings. *See* Open Records Decision No. 673 (2001) (so long as law, facts, and circumstances on which prior ruling was based have not changed, first type of previous determination exists where requested information is precisely same information as was addressed in a prior attorney general ruling, ruling is addressed to same governmental body, and ruling concludes that information is or is not excepted from disclosure). To the extent the information at issue was not responsive to the previous requests for information and is not encompassed by the rulings, we will consider your remaining arguments.

Section 552.101 of the Government Code excepts from public disclosure “information considered to be confidential by law, either constitutional, statutory, or by judicial decision.” Gov’t Code § 552.101. This exception encompasses information that other statutes make

²This letter ruling assumes that the submitted representative sample of information is truly representative of the requested information as a whole. This ruling does not reach, and therefore does not authorize, the withholding of any other requested information to the extent that the other information is substantially different than that submitted to this office. *See* Gov’t Code §§ 552.301(e)(1)(D), .302; Open Records Decision Nos. 499 at 6 (1988), 497 at 4 (1988).

confidential. You raise section 552.101 of the Government Code in conjunction with section 51.971 of the Education Code, which provides, in part:

(e) Information is excepted from disclosure under [the Act] if it is collected or produced:

(1) in a compliance program investigation and releasing the information would interfere with an ongoing compliance investigation[.]

Act of May 17, 2011, 82nd Leg., R.S., S.B. 1327, § 1 (to be codified at Educ. Code § 51.971(e)(1)). Section 51.971 defines a compliance program as a process to assess and ensure compliance by officers and employees of an institution of higher education. Educ. Code § 51.971(a)(1). You state the requested information pertains to a complaint and subsequent investigation pertaining to “ethical questions and standards of conduct relating to employees of the [u]niversity.” Based on your representations and our review, we agree the information at issue pertains to the university’s compliance program for purposes of section 51.971. *See id.* § 51.971(a). You inform this office the information at issue pertains to an ongoing compliance investigation by the university. You also represent release of the information at this time would interfere with that investigation. Accordingly, we conclude the university must withhold the remaining submitted information under section 552.101 in conjunction with section 51.971(e)(1).³

In summary, the submitted UTEIDs are not subject to the Act and the university need not release them to the requestor. The university must continue to rely on Open Records Letter Nos. 2011-12210, 2011-05767, 2011-05608, 2011-04036, 2011-00488, 2011-00418, and 2011-00356 as previous determinations and withhold or release the previously ruled upon information in accordance with the prior rulings. The university must withhold the remaining information under section 552.101 of the Government Code in conjunction with section 51.971(e) of the Education Code.

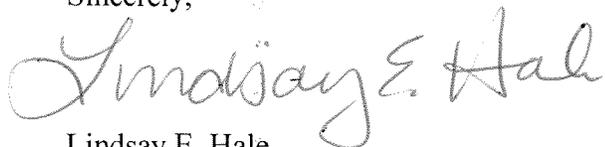

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
