Mr. Jeffrey R. Crownover

Dear Mr. Crownover:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 429509.

The Carrollton-Farmers Branch Independent School District (the "district"), which you represent, received a request for four categories of information related to a named individual.¹ You state you will release some of the requested information with certain redactions agreed upon by the requestor. You claim that the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses information protected by other statutes, such as section 21.355 of the Education Code. Section 21.355(a) provides that "[a] document evaluating the performance of a teacher or administrator is confidential." Act of May 25, 2011, 82nd Leg., R.S., H.B. 2971, § 1 (to be codified at Educ. Code § 21.355(a)).

¹You note that the district sought and received a clarification of the information requested. See Gov't Code § 552.222 (providing that if request for information is unclear, governmental body may ask requestor to clarify request); see also *City of Dallas v. Abbott*, 304 S.W.3d 380, 387 (Tex. 2010) (holding that when a governmental entity, acting in good faith, requests clarification or narrowing of an unclear or over-broad request for public information, the ten-day period to request an attorney general ruling is measured from the date the request is clarified or narrowed).

In addition, the court has concluded a written reprimand constitutes an evaluation for purposes of section 21.355 because "it reflects the principal's judgment regarding [a teacher's] actions, gives corrective direction, and provides for further review." *North East Indep. Sch. Dist. v. Abbott*, 212 S.W.3d 364 (Tex. App.—Austin 2006, no pet.). This office has interpreted this section to apply to any document that evaluates, as that term is commonly understood, the performance of a teacher or administrator. Open Records Decision No. 643 (1996). In Open Records Decision No. 643, we concluded that a teacher is someone who is required to hold and does hold a certificate or permit required under chapter 21 of the Education Code and is teaching at the time of his or her evaluation. *Id.* You claim the submitted information is confidential under section 21.355 of the Education Code. You state, and provide documentation showing, the named individual held the appropriate certification and was teaching at the time of the evaluation. Based on your representations and our review, we agree the submitted information constitutes an evaluation of the named individual's performance as a teacher for the purposes of section 21.355. Accordingly, the district must withhold the submitted information under section 552.101 of the Government Code in conjunction with section 21.355 of the Education Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. Sincerely,

Vanessa Burgess
