

ATTORNEY GENERAL OF TEXAS
GREG ABBOTT

September 14, 2011

Mr. John Ferguson
Assistant General Counsel
Texas Department of Public Safety
P.O. Box 4087
Austin, Texas 78773-0001

OR2011-13244

Dear Mr. Ferguson:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 434610 (PIR # 11-1977).

The Texas Department of Public Safety (the "department") received a request for information pertaining to a specified accident. You state some information has been released to the requestor. You claim the remaining responsive information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

We note the submitted documents include a CR-3 accident report form completed pursuant to chapter 550 of the Transportation Code. *See* Transp. Code § 550.064 (officer's accident report). Section 550.065(b) provides, except as provided by subsection (c) or subsection (e), accident reports are privileged and confidential. *Id.* § 550.065(b). Section 550.065(c)(4) provides for the release of accident reports to a person who provides two of the following three pieces of information: (1) the date of the accident; (2) the name of any person involved in the accident; and (3) the specific location of the accident. *Id.* § 550.065(c)(4). Under this provision, the Texas Department of Transportation or another governmental entity is required to release a copy of an accident report to a person who provides the agency with two or more of the items of information specified by the statute. *Id.* In this instance, the requestor has provided the department with the requisite pieces of information. Although you seek to withhold this information under section 552.108 of the Government Code, we note information that is specifically made public by statute may not be withheld from the public under any of the exceptions to public disclosure under the Act. *See, e.g.,* Open Records

Decision Nos. 544 (1990), 378 (1983), 161 (1977), 146 (1976). Accordingly, the department must release the submitted CR-3 accident report pursuant to section 550.065(c)(4) of the Transportation Code.

We also note the submitted information includes a court-filed document. Section 552.022(a)(17) of the Government Code provides for required public disclosure of “information that is also contained in a public court record,” unless the information is expressly confidential under other law. Gov’t Code § 552.022(a)(17). We have marked the court-filed document subject to section 552.022(a)(17). Although you seek to withhold this information under section 552.108 of the Government Code, that section is a discretionary exception to disclosure that protects a governmental body’s interests and may be waived. *See id.* § 552.007; Open Records Decision Nos. 665 at 2 n.5 (2000) (discretionary exceptions generally), 177 at 3 (1977) (statutory predecessor to Gov’t Code § 552.108 subject to waiver). As such, section 552.108 is not other law that makes information expressly confidential for the purposes of section 552.022(a)(17). Therefore, the marked court-filed document may not be withheld under section 552.108. As no further exceptions against disclosure of the court-filed document are raised, the department must release this information.

You seek to withhold the remaining information under section 552.108 of the Government Code. Section 552.108(a)(1) excepts from disclosure “[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime [if] release of the information would interfere with the detection, investigation, or prosecution of crime[.]” Gov’t Code § 552.108(a)(1). A governmental body claiming section 552.108 must reasonably explain how and why the release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). You state the remaining information relates to an ongoing criminal investigation. Based upon your representation and our review, we conclude section 552.108(a)(1) is generally applicable in this instance. *See Houston Chronicle Publ’g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests that are present in active cases), *writ ref’d n.r.e. per curium*, 536 S.W.2d 559 (Tex. 1976).

We note, however, the information at issue includes a DIC-24 statutory warning and DIC-25 notice of suspension. The department provided copies of these forms to the arrestee. You have not explained how releasing this information, which has already been seen by the arrestee, would interfere with the detection, investigation, or prosecution of crime. *See* Gov’t Code § 552.108(a)(1). Accordingly, the DIC-24 and DIC-25 forms may not be withheld under section 552.108.

Additionally, section 552.108 does not except from disclosure “basic information about an arrested person, an arrest, or a crime.” *Id.* § 552.108(c). Section 552.108(c) refers to the basic “front-page” information held to be public in *Houston Chronicle*. *See* 531 S.W.2d at 186-187; *see also* Open Records Decision No. 127 (1976) (summarizing types of

information considered to be basic information). Accordingly, with the exception of the DIC-24 and DIC-25 forms and the basic information, the department may withhold the remaining submitted information under section 552.108(a)(1).

Finally, section 552.130 provides that information relating to a motor vehicle operator's license or driver's license issued by an agency of this state or another state or country is excepted from public release.¹ Act of May 24, 2011, 82nd Leg., R.S., S.B. 1638, § 4 (to be codified as an amendment to Gov't Code § 552.130). The department must withhold the driver's license number in the DIC-24 and DIC-25 forms under section 552.130.

In summary, the department must release the submitted CR-3 accident report pursuant to section 550.065(c)(4) of the Transportation Code. The department must also release the marked court-filed document pursuant to section 552.022(a)(17) of the Government Code. Except for the driver's license number, which the department must withhold under section 552.130 of the Government Code, the DIC-24 and DIC-25 forms must be released. Except for basic information, the department may withhold the remaining submitted information under section 552.108(a)(1) of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
