Mr. Robert Almonte  
Assistant City Attorney  
City of El Paso

El Paso, Texas 79901

OR2011-13426

Dear Mr. Almonte:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 434816.

The El Paso Police Department (the "department") received a request for a specified report. You state some information has been released to the requestor. You claim the submitted information is excepted from disclosure under sections 552.108 and 552.130 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

We note the submitted information contains a CR-3 accident report form completed pursuant to chapter 550 of the Transportation Code. *See* Transp. Code § 550.064 (officer's accident report). Section 550.065(b) provides, except as provided by subsection (c) or (e), accident reports are privileged and confidential. Section 550.065(c)(4) provides for the release of accident reports to a person who provides two of the following three pieces of information: (1) the date of the accident; (2) the name of any person involved in the accident; and (3) the specific location of the accident. *Id.* § 550.065(c)(4). In this instance, the requestor has provided the department with two of the three requisite pieces of information specified by the statute. Although you seek to withhold this information under section 552.108 of the Government Code, the general exceptions found in the Act do not apply to information that is made public by other statutes. *See, e.g.*, Open Records Decision Nos. 544 (1990), 378

(1983), 161 (1977), 146 (1976). Therefore, the department must release the CR-3 accident report form in its entirety to the requestor pursuant to section 550.065(c)(4).

We next address your claim under section 552.108 of the Government Code for the remaining information. Section 552.108(a)(1) excepts from disclosure “[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime [if] release of the information would interfere with the detection, investigation, or prosecution of crime[.]” Gov’t Code § 552.108(a)(1). A governmental body claiming section 552.108 must reasonably explain how and why the release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), 301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). You state the submitted information relates to an ongoing criminal investigation. Based on this representation, we find that release of the information at issue would interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ’g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests that are present in active cases), *writ ref’d n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976).

We note, however, the information at issue includes a DIC-24 statutory warning. The arrestee was provided a copy of this form. You have not explained how releasing this information, which has already been seen by the arrestee, would interfere with the detection, investigation, or prosecution of crime. *See* Gov’t Code § 552.108(a)(1). Accordingly, the DIC-24 form may not be withheld under section 552.108.

Additionally, section 552.108 does not except from disclosure “basic information about an arrested person, an arrest, or a crime.” *Id.* § 552.108(c). Section 552.108(c) refers to the basic “front-page” information held to be public in *Houston Chronicle*. *See* 531 S.W.2d at 186-187; *see also* Open Records Decision No. 127 (1976) (summarizing types of information considered to be basic information). Accordingly, with the exception of the DIC-24 form and basic information, the department may withhold the remaining submitted information under section 552.108(a)(1) of the Government Code.

Finally, we note the DIC-24 form contain a driver’s license number. Section 552.130 of the Government Code excepts from disclosure information relating to a motor vehicle operator’s or driver’s license issued by an agency of this state or another state or country. *See* Act of May 24, 2011, 82<sup>nd</sup> Leg., R.S., S.B. 1638, § 4 (to be codified as an amendment to Gov’t Code § 552.130(a)(1)). The department must withhold the driver’s license number in the DIC-24 form under section 552.130.

In summary, the department must release the submitted CR-3 accident report in its entirety pursuant to section 550.065(c)(4) of the Transportation Code. Except for the driver’s license number, which the department must withhold under section 552.130 of the Government Code, the DIC-24 form must be released. The department may withhold the remaining

submitted information under section 552.108(a)(1) of the Government Code, except for the basic information that must be released under section 552.108(c).

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
