Mr. Mark G. Mann
Assistant City Attorney
City of Garland

OR2011-13769

Dear Mr. Mann:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 430759 (GCA 11-0542).

The Garland Police Department (the "department") received a request for records regarding a specified incident involving a named individual. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses information protected by other statutes, such as section 261.201(a) of the Family Code, which provides:

(a) [T]he following information is confidential, is not subject to public release under [the Act], and may be disclosed only for purposes consistent with this code and applicable federal or state law or under rules adopted by an investigating agency:

- (1) a report of alleged or suspected abuse or neglect made under this chapter and the identity of the person making the report; and
- (2) except as otherwise provided in this section, the files, reports, records, communications, audiotapes, videotapes, and working papers used or developed in an investigation under this chapter or in providing services as a result of an investigation.

Fam. Code § 261.201(a). You state the submitted incident report number 002C0014 was used or developed in an investigation of alleged child abuse. *See id.* § 261.001(1)(E) (definition of child abuse includes sexual assault or aggravated sexual assault under Penal Code sections 22.011 and 22.021); *see also* Penal Code § 22.011(c)(1) (defining “child” for purposes of Penal Code sections 22.011 and 22.021 as a person younger than 17 years of age). Upon review, we find the submitted information is within the scope of section 261.201 of the Family Code. You have not indicated the department has adopted a rule that governs the release of this type of information; therefore, we assume no such regulation exists. Given that assumption, the department must withhold incident report number 002C0014 under section 552.101 of the Government Code in conjunction with section 261.201 of the Family Code.¹ *See* Open Records Decision No. 440 at 2 (1986) (predecessor statute).

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
