

ATTORNEY GENERAL OF TEXAS
GREG ABBOTT

September 26, 2011

Mr. Kenneth L. Bennight, Jr.
Assistant City Attorney
City of San Antonio
P.O. Box 839966
San Antonio, Texas 78283-3966

OR2011-13862

Dear Mr. Bennight:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 431045 (COSA File No. W002215-071211).

The City of San Antonio (the "city") received a request for information related to bids to purchase to specified pieces of city property. You state the city has released some of the requested information. You claim the submitted information is excepted from disclosure under section 552.105 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.105 of the Government Code excepts from disclosure information relating to:

- (1) the location of real or personal property for a public purpose prior to public announcement of the project; or
- (2) appraisals or purchase price of real or personal property for a public purpose prior to the formal award of contracts for the property.

Gov't Code § 552.105. Section 552.105 is designed to protect a governmental body's planning and negotiating position with regard to particular transactions. *See* Open Records Decision Nos. 564 (1990), 357 (1982), 310 (1982). Information that is excepted from disclosure under section 552.105 that pertains to such negotiations may be excepted from disclosure so long as the transaction relating to that information is not complete. *See* ORD 310. But the protection offered by section 552.105 is not limited solely to transactions not yet finalized. This office has concluded that information about specific parcels of land obtained in advance of other parcels to be acquired for the same project could be withheld where release of the information would harm the governmental body's negotiating position

with respect to the remaining parcels. *See* ORD 564 at 2. A governmental body may withhold information “which, if released, would impair or tend to impair [its] ‘planning and negotiating position in regard to particular transactions.’” ORD 357 at 3 (quoting Open Records Decision No. 222 (1979)). The question of whether specific information, if publicly released, would impair a governmental body’s planning and negotiating position with regard to particular transactions is a question of fact. Accordingly, this office will accept a governmental body’s good-faith determination in this regard, unless the contrary is clearly shown as a matter of law. *See* ORD 564.

You state the submitted information pertains to the appraisal or purchase price of real property that the city intends to sell. Further, you explain that the release of this information may impair the city’s negotiating position with respect to the transaction at issue. Based on your representations and our review, we conclude that the city may withhold the submitted information under section 552.105 of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at http://www.oag.state.tx.us/open/index_orl.php, or call the Office of the Attorney General’s Open Government Hotline, toll free, at (877) 673-6839. Questions concerning the allowable charges for providing public information under the Act must be directed to the Cost Rules Administrator of the Office of the Attorney General, toll free, at (888) 672-6787.

Sincerely,

Tamara Wilcox
