GREG ABBOTT

September 27, 2011

Mr. Mark G. Mann
Assistant City Attorney
City of Garland
P.O. Box 469002
Garland, Texas 75046-9002

OR2011-13989

Dear Mr. Mann:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 435881 (GCAs # 11-0682 and 11-0684).

The Garland Police Department (the "department") received two requests for information pertaining to a specified incident. You state you have released some of the requested information. You claim some of the submitted information is excepted from disclosure under sections 552.108 and 552.130 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Section 552.108(a)(1) of the Government Code excepts from disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]" Gov't Code § 552.108(a)(1). A governmental body claiming section 552.108 must reasonably explain how and why the release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). You have marked the information you seek to withhold and state this information pertains to a pending criminal case. Based on this representation and our review, we conclude the release of this information would interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests that are present in active cases), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). Therefore, the department may withhold the information you have marked under section 552.108(a)(1) of the Government Code. We note you have the discretion to release

all or part of this information that is not otherwise confidential by law. Gov't Code § 552.007.

Section 552.130 provides information relating to a motor vehicle operator's license, driver's license, motor vehicle title, or registration issued by an agency of this state, another state, or country is excepted from public release. Act of May 24, 2011, 82nd Leg., R.S., S.B. 1638, § 4 (to be codified as an amendment to Gov't Code § 552.130). The purpose of section 552.130 is to protect the privacy interests of individuals. Because the right of privacy lapses at death, Texas motor vehicle record information that pertains solely to deceased individuals may not be withheld under section 552.130. *See Moore v. Charles B. Pierce Film Enters., Inc.*, 589 S.W.2d 489, 491 (Tex. App.—Texarkana 1979, writ ref'd n.r.e.); *see also* Attorney General Opinions JM-229 (1984); H-917 (1976); Open Records Decision No. 272 at 1 (1981). Thus, to the extent a living person has an ownership interest in the Texas motor vehicle record information you have marked, the department must withhold this information under section 552.130. Conversely, if no living person owns an interest in the vehicle at issue, the department must release the marked Texas motor vehicle record information.

In summary, the department may withhold the information you have marked under section 552.108(a)(1) of the Government Code. To the extent a living person has an ownership interest in the information you have marked, the department must withhold this information under section 552.130 of the Government Code. The remaining information must be released.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
