Dear Mr. Scott:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 431386.

The City of Conroe (the "city") received a request for "the 911 report" for a specified incident. You claim the submitted information is excepted from disclosure under section 552.130 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.130 excepts from disclosure information relating to a motor vehicle operator's or driver's license or permit issued by an agency of this state or another state or country. *See* Act of May 24, 2011, 82nd Leg., R.S., S.B. 1638, § 4 (to be codified as an amendment to Gov't Code § 552.130(a)(1)). As you acknowledge, the submitted audio recording contains a Texas license plate number. You inform us the city does not have the technical capability to redact the license plate number at issue from the submitted audio recording. Based on this representation, the city must withhold the submitted audio recording in its entirety under section 552.130 of the Government Code. *See* Open Records Decision No. 364 (1983).

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
