Dear Ms. Lentz:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 436588.

The Williamson County Sheriff's Office (the "sheriff") received two requests for information pertaining to a specified incident. You claim the submitted information is excepted from disclosure under sections 552.101 and 552.108 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.¹

Initially, we note, and you acknowledge, that the submitted documents include CR-3 accident report forms completed pursuant to chapter 550 of the Transportation Code. See Transp. Code § 550.064. Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses information protected by other statutes, including section 550.065 of the Transportation Code. Section 550.065(b) states that except as provided by subsection (c), accident reports are privileged and

¹We assume that the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. See Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent that those records contain substantially different types of information than that submitted to this office.

confidential. See Transp. Code § 550.065(b). Section 550.065(c)(4) provides for the release of accident reports to a person who provides two of the following three pieces of information: (1) date of the accident; (2) name of any person involved in the accident; and (3) specific location of the accident. *Id.* § 550.065(c)(4). Under this provision, the Texas Department of Transportation or another governmental entity is required to release a copy of an accident report to a person who provides the agency with two or more pieces of information specified by the statute. *id.* In this instance, the requestor has provided the sheriff with two of the required pieces of information pursuant to section 550.065(c)(4). Therefore, the sheriff must release the submitted accident report form to this requestor pursuant to section 550.065(c)(4) of the Transportation Code.

Next, we address your claim under section 552.108 of the Government Code for the remaining information. Section 552.108 excepts from disclosure “[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]” Gov’t Code § 552.108(a)(1). Generally, a governmental body claiming section 552.108(a)(1) must reasonably explain how and why the release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977).

The information at issue includes a statutory warning. Because a copy of this document, which we have marked, has been provided to the arrestee, we find that its release will not interfere with the detection, investigation, or prosecution of crime. *See* Gov’t Code § 552.108(a)(1). Therefore, the sheriff may not withhold the marked statutory warning under section 552.108(a)(1).

You state the remaining information relates to a pending criminal case. Based upon your representation and our review, we conclude that the release of the remaining information would interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ’g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests that are present in active cases), *writ ref’d n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976).

However, basic information about an arrested person, an arrest, or a crime is not excepted from disclosure under section 552.108. Gov’t Code § 552.108(c). Such basic information refers to the information held to be public in *Houston Chronicle*. *See* 531 S.W.2d at 186-8; *see also* Open Records Decision No. 127 (1976) (summarizing types of information deemed public by *Houston Chronicle*). Thus, with the exception of the statutory warning and basic information, the sheriff may withhold the remaining information under section 552.108(a)(1).

In summary, the sheriff must release the submitted accident report form to this requestor pursuant to section 550.065(c)(4) of the Transportation Code. With the exception of the

statutory warning and basic information, which must be released, the sheriff may withhold the remaining information under section 552.108(a)(1) of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
