

ATTORNEY GENERAL OF TEXAS
GREG ABBOTT

October 6, 2011

Ms. Evelyn W. Njuguna
Assistant City Attorney
City of Houston
P.O. Box 368
Houston, Texas 77001-0368

OR2011-14515

Dear Ms. Njuguna:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 432739 (GC No. 18805).

The City of Houston (the "city") received a request for information related to two specified investigations of city employees. You state some information will be released to the requestor. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the claimed exception and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses information made confidential by other statutes. Access to medical records is governed by the Medical Practice Act (the "MPA"), subtitle B of title 3 of the Occupations Code. *See* Occ. Code §§ 151.001-165.160. Section 159.002 of the MPA provides, in part:

- (a) A communication between a physician and a patient, relative to or in connection with any professional services as a physician to the patient, is confidential and privileged and may not be disclosed except as provided by this chapter.

(b) A record of the identity, diagnosis, evaluation, or treatment of a patient by a physician that is created or maintained by a physician is confidential and privileged and may not be disclosed except as provided by this chapter.

(c) A person who receives information from a confidential communication or record as described by this chapter, other than a person listed in Section 159.004 who is acting on the patient's behalf, may not disclose the information except to the extent that disclosure is consistent with the authorized purposes for which the information was first obtained.

Id. § 159.002(a)-(c). Information subject to the MPA includes both medical records and information obtained from those medical records. *See id.* §§ 159.002, .004; Open Records Decision No. 598 (1991). This office has concluded the protection afforded by section 159.002 extends only to records created by either a physician or someone under the supervision of a physician. *See* Open Records Decision Nos. 487 (1987), 370 (1983), 343 (1982). We have also found when a file is created as the result of a hospital stay, all the documents in the file relating to diagnosis and treatment constitute physician-patient communications or “[r]ecords of the identity, diagnosis, evaluation, or treatment of a patient by a physician that are created or maintained by a physician.” Open Records Decision No. 546 (1990). Medical records must be released upon the patient's signed, written consent, provided the consent specifies (1) the information to be covered by the release, (2) reasons or purposes for the release, and (3) the person to whom the information is to be released. Occ. Code §§ 159.004, .005. Any subsequent release of medical records must be consistent with the purposes for which the governmental body obtained the records. *See id.* § 159.002(c); Open Records Decision No. 565 at 7 (1990). Upon review, we find the information we have marked consists of records of the identity, diagnosis, evaluation, or treatment of a patient by a physician that were created by a physician. Therefore, the marked information constitutes confidential medical records and may be released only in accordance with the MPA.

Section 552.101 of the Government Code also encompasses chapter 411 of the Government Code, which pertains to criminal history record information (“CHRI”) generated by the National Crime Information Center or by the Texas Crime Information Center. *See* Gov't Code §411.083(a). Title 28, part 20 of the Code of Federal Regulations governs the release of CHRI states obtain from the federal government or other states. Open Records Decision No. 565 (1990). The federal regulations allow each state to follow its individual laws with respect to the CHRI it generates. *See id.* Section 411.083 of the Government Code deems confidential CHRI the Texas Department of Public Safety (“DPS”) maintains, except DPS may disseminate this information as provided in chapter 411, subchapter F of the Government Code. *See* Gov't Code § 411.083. Sections 411.083(b)(1) and 411.089(a) authorize a criminal justice agency to obtain CHRI; however, a criminal justice agency may not release CHRI except to another criminal justice agency for a criminal justice purpose. *Id.* § 411.089(b)(1). Other entities specified in chapter 411 of the Government Code are

entitled to obtain CHRI from DPS or another criminal justice agency; however, those entities may not release CHRI except as provided by chapter 411. *See generally id.* §§ 411.090-.127. Similarly, any CHRI obtained from DPS or any other criminal justice agency must be withheld under section 552.101 in conjunction with chapter 411, subchapter F of the Government Code. We note section 411.083 does not apply to active warrant information or other information relating to one's current involvement with the criminal justice system. *See id.* § 411.081(b) (police department allowed to disclose information pertaining to person's current involvement in the criminal justice system). Further, CHRI does not include driving record information. *See id.* §411.082(2)(B). Upon review, we find a portion of the information you seek to withhold constitutes CHRI for purposes of chapter 411 of the Government Code. Therefore, the city must withhold the information we have marked under section 552.101 of the Government Code in conjunction with chapter 411 of the Government Code. However, we find the remaining information does not constitute CHRI for purposes of chapter 411. Accordingly, the city may not withhold any of the remaining information on that basis.

We note a portion of the remaining information is protected by section 552.130 of the Government Code.¹ Section 552.130 of the Government Code excepts from disclosure information that relates to a motor vehicle operator's or driver's license or permit issued by an agency of this state or another state or country. Act of May 24, 2011, 82nd Leg., R.S., S.B. 1638, § 4 (to be codified as an amendment to Gov't Code § 552.130(a)(1)). Therefore, the city must withhold the information we have marked under section 552.130.

In summary, the city may release the medical records we have marked only in accordance with the MPA. The city must withhold the information we have marked under section 552.101 of the Government Code in conjunction with chapter 411 of the Government Code and under section 552.130 of the Government Code. The remaining information must be released to the requestor.²

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and
