Assistant City Attorney
City of San Antonio

OR2011-14799

Dear Mr. Weir:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 437357 (COSA File No. W003223).

The City of San Antonio (the "city") received a request for information pertaining to a specified case. You claim the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision."¹ Gov't Code § 552.101. Section 552.101 encompasses information other statutes make confidential, such as section 58.007 of the Family Code. Juvenile law enforcement records relating to conduct that occurred on or after September 1, 1997 are confidential under section 58.007. For purposes of section 58.007(c), "child" means a person who is ten years of age or older and under seventeen years of age. *See* Fam. Code § 51.02(2). Section 58.007 provides in pertinent part as follows:

(c) Except as provided by Subsection (d), law enforcement records and files concerning a child and information stored, by electronic means or otherwise,

¹The Office of the Attorney General will raise a mandatory exception on behalf of a governmental body, but ordinarily will not raise other exceptions. Open Records Decision Nos. 481 (1987), 480 (1987), 470 (1987).

concerning the child from which a record or file could be generated may not be disclosed to the public and shall be:

(1) if maintained on paper or microfilm, kept separate from adult files and records;

(2) if maintained electronically in the same computer system as records or files relating to adults, be accessible under controls that are separate and distinct from controls to access electronic data concerning adults; and

(3) maintained on a local basis only and not sent to a central state or federal depository, except as provided by Subchapters B, D, and E.

...

(e) Law enforcement records and files concerning a child may be inspected or copied by a juvenile justice agency as that term is defined by Section 58.101, a criminal justice agency as that term is defined by Section 411.082, Government Code, the child, and the child's parent or guardian.

...

(j) Before a child or a child's parent or guardian may inspect or copy a record or file concerning the child under Subsection (e), the custodian of the record or file shall redact:

...

(2) any information that is excepted from required disclosure under [the Act], or other law.

Id. § 58.007(c), (e), (j). We find the submitted information involves a juvenile engaged in delinquent conduct occurring after September 1, 1997; therefore, the submitted information is subject to section 58.007. We note the requestor may be a parent of the juvenile offender listed in the submitted report. If the requestor is not the parent or guardian of the juvenile offender listed in the report, then the submitted information must be withheld in its entirety under section 552.101 in conjunction with section 58.007(c). However, to the extent the requestor is a parent or legal guardian of the juvenile offender, she may inspect or copy any law enforcement records concerning her own child under section 58.007(e). *Id.* § 58.007(e). However, section 58.007(j) provides that information subject to any other exception to disclosure under the Act or other law must be redacted. *See id.* §58.007(j)(2). Accordingly, we will address your argument under section 552.108(a)(1) and whether any information must be withheld pursuant to the Act.

Section 552.101 of the Government Code also encompasses chapter 550 of the Transportation Code. We note the submitted information includes a CR-3 crash report form that was completed pursuant to chapter 550 of the Transportation Code. *See* Transp. Code § 550.064 (officer's accident report). Section 550.065(b) of the Transportation Code provides, except as provided by subsection (c) or subsection (e), accident reports are privileged and confidential. *See id.* § 550.065. Section 550.065(c)(4) provides for the release of accident reports to a person who provides two of the following three items of information: (1) the date of the accident; (2) the name of any person involved in the accident; and (3) the specific location of the accident. *See id.* § 550.065(c)(4). Under this provision, the Texas Department of Transportation or another governmental entity is required to release a copy of an accident report to a person who provides the agency with two or more of the items of information specified by the statute. *Id.* In this instance, the requestor has not provided the city with two of the required pieces of information. Thus, the city must withhold the CR-3 form under section 552.101 in conjunction with section 550.065(b).

Section 552.108(a)(1) of the Government Code excepts from disclosure “[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]” Gov't Code § 552.108(a)(1). A governmental body that claims an exception to disclosure under section 552.108 must reasonably explain how and why this exception is applicable to the information at issue. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). You state the remaining information relates to an open criminal case. Based upon your representation and our review, we find section 552.108(a)(1) is applicable to the remaining information. *See Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976) (court delineates law enforcement interests that are present in active cases). We note, however, the information at issue includes a DIC-24 statutory warning and a DIC-25 notice of suspension. The city provided copies of these forms to the arrestee. You have not explained how releasing this information, which has already been seen by the arrestee, would interfere with the detection, investigation, or prosecution of crime. *See* Gov't Code § 552.108(a)(1). Accordingly, the DIC-24 and DIC-25 forms may not be withheld under section 552.108.

Additionally, section 552.108 does not except from disclosure “basic information about an arrested person, an arrest, or a crime.” *Id.* § 552.108(c). Section 552.108(c) refers to the basic “front-page” information held to be public in *Houston Chronicle*. *See* 531 S.W.2d at 186-187; *see also* Open Records Decision No. 127 (1976) (summarizing types of information considered to be basic information). Accordingly, with the exception of the DIC-24 and DIC-25 forms and basic information, the city may withhold the submitted information under section 552.108(a)(1).

In summary, if the requestor is not a parent or guardian of the juvenile offender, then the city must withhold the submitted information in its entirety under section 552.101 of the Government Code in conjunction with section 58.007(c) of the Family Code. If the requestor

is a parent or guardian of the juvenile offender, then the city (1) must withhold the CR-3 report form under section 552.101 of the Government Code in conjunction with section 550.065(b) of the Transportation Code and (2) except for the DIC-24 and DIC-25 and the basic information, the city may withhold the remaining information under section 552.108(a)(1) of the Government Code.²

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
