

ATTORNEY GENERAL OF TEXAS
GREG ABBOTT

October 19, 2011

Mr. Benjamin Sampract
Assistant City Attorney
City of Fort Worth
1000 Throckmorton Street, Third Floor
Fort Worth, Texas 76102

OR2011-15260

Dear Mr. Sampract:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 433634 (Fort Worth PIR# W010780).

The City of Fort Worth (the "city") received a request for information related to a specified animal bite. You state you have released some of the requested information. You claim that portions of the submitted information are excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. You raise section 552.101 in conjunction with the common-law informer's privilege, which Texas courts have long recognized. *See Aguilar v. State*, 444 S.W.2d 935, 937 (Tex. Crim. App. 1969). The informer's privilege protects the identities of persons who report activities over which the governmental body has criminal or quasi-criminal law-enforcement authority, provided that the subject of the information does not already know the informer's identity. *See Open Records Decision Nos. 515 at 3 (1998), 208 at 1-2 (1978)*. The privilege protects the identities of individuals who report violations of statutes to the police or similar law-enforcement agencies, as well as those who report violations of statutes with civil or criminal penalties to "administrative officials having a duty of inspection or of law enforcement within their particular spheres." *See Open Records Decision No. 279 at 2 (1981) (citing 8 John H. Wigmore, Evidence in Trials at Common Law, § 2374, at 767 (J. McNaughton rev. ed. 1961))*. The report must be of a

violation of a criminal or civil statute. *See* Open Records Decision Nos. 582 at 2 (1990), 515 at 4-5 (1988). The privilege excepts the informer's statement only to the extent necessary to protect the informer's identity. *See* Open Records Decision No. 549 at 5 (1990).

You state that the information you have marked identifies an individual who reported possible violations of section 6-42 of the city code to city employees charged with enforcing the code. You state the city has received no indication that the code violater is aware of the identity of the reporting party. You also state that the alleged violation in question is punishable by fine. Upon review we conclude that the city may withhold the information you have marked under section 552.101 of the Government Code in conjunction with the common-law informer's privilege. *See* Open Records Decision No. 156 (1977) (name of person who makes complaint about another individual to city's animal control division is excepted from disclosure by informer's privilege so long as information furnished discloses potential violation of state law).

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at http://www.oag.state.tx.us/open/index_orl.php, or call the Office of the Attorney General's Open Government Hotline, toll free, at (877) 673-6839. Questions concerning the allowable charges for providing public information under the Act must be directed to the Cost Rules Administrator of the Office of the Attorney General, toll free at (888) 672-6787.

Sincerely,

Vanessa Burgess
Assistant Attorney General
Open Records Division
