

ATTORNEY GENERAL OF TEXAS  
GREG ABBOTT

October 20, 2011

Ms. Tiffany Evans  
Assistant City Attorney  
City of Houston  
P.O. Box 368  
Houston, Texas 77001-0368

OR2011-15375

Dear Ms. Evans:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 434538 (Houston GC No. 18857).

The City of Houston (the "city") received a request for any information pertaining to a specified case. You claim that the submitted information is excepted from disclosure under sections 552.101, 552.108, and 552.147 of the Government Code. We have considered the exceptions you claim and reviewed the submitted representative sample of information.<sup>1</sup>

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses information that other statutes make confidential, such as section 261.201 of the Family Code, which provides as follows:

(a) [T]he following information is confidential, is not subject to public release under [the Act], and may be disclosed only for purposes consistent with this code and applicable federal or state law or under rules adopted by an investigating agency:

---

<sup>1</sup>We assume the "representative sample" of information submitted to this office is truly representative of the requested records as a whole. See Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent those records contain substantially different types of information than those submitted to this office.

(1) a report of alleged or suspected abuse or neglect made under this chapter and the identity of the person making the report; and

(2) except as otherwise provided in this section, the files, reports, records, communications, audiotapes, videotapes, and working papers used or developed in an investigation under this chapter or in providing services as a result of an investigation.

Fam. Code § 261.201(a). You state, and the submitted information reflects, the incident report and accompanying information was used or developed in an investigation by the city's police department of alleged child abuse under chapter 261 of the Family Code. *See id.* § 261.001(1) (defining "abuse" for purposes of Fam. Code ch. 261); *see also id.* § 101.003(a) (defining "child" for purposes of this section as person under 18 years of age who is not and has not been married or who has not had the disabilities of minority removed for general purposes). Upon review, we find the submitted information is within the scope of section 261.201 of the Family Code. You have not indicated the city's police department has adopted a rule that governs the release of this type of information; therefore, we assume no such regulation exists. Given that assumption, the city must withhold the submitted information in its entirety under section 552.101 of the Government Code in conjunction with section 261.201 of the Family Code.<sup>2</sup>

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.
