Dear Ms. Pemberton:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 438771 (Killeen ID# W006417).

The Killeen Police Department (the "department") received a request for information pertaining to a specified incident. You state the department has released some information to the requestor. You claim the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted representative sample of information.¹

We note the submitted documents include CR-3 accident report forms completed pursuant to chapter 550 of the Transportation Code. *See* Transp. Code § 550.064 (officer's accident report). Section 550.065(b) provides, except as provided by subsection (c) or subsection (e), accident reports are privileged and confidential. *Id.* § 550.065(b). Section 550.065(c)(4) provides for the release of accident reports to a person who provides two of the following three pieces of information: (1) the date of the accident; (2) the name of any person involved in the accident; and (3) the specific location of the accident. *Id.* § 550.065(c)(4). Under this provision, the Texas Department of Transportation or another governmental entity is required

¹We assume the "representative sample" of information submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent those records contain substantially different types of information than those submitted to this office.

to release a copy of an accident report to a person who provides the agency with two or more of the items of information specified by the statute. *Id.* In this instance, the requestor has provided the department with the requisite pieces of information. Although you seek to withhold this information under section 552.108 of the Government Code, we note information that is specifically made public by statute may not be withheld from the public under any of the exceptions to public disclosure under the Act. *See, e.g.*, Open Records Decision Nos. 544 (1990), 378 (1983), 161 (1977), 146 (1976). Accordingly, the department must release the submitted CR-3 accident report forms pursuant to section 550.065(c)(4) of the Transportation Code.

You seek to withhold the remaining information under section 552.108 of the Government Code. Section 552.108(a)(1) excepts from disclosure “[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime [if] release of the information would interfere with the detection, investigation, or prosecution of crime[.]” Gov’t Code § 552.108(a)(1). A governmental body claiming section 552.108 must reasonably explain how and why the release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). You state the remaining information relates to a pending prosecution. Based upon your representation and our review, we conclude section 552.108(a)(1) is generally applicable in this instance. *See Houston Chronicle Publ’g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests that are present in active cases), *writ ref’d n.r.e. per curium*, 536 S.W.2d 559 (Tex. 1976). We note, however, the information at issue includes a DIC-24 statutory warning. The department provided a copy of this form to the arrestee. You have not explained how releasing this information, which has already been seen by the arrestee, would interfere with the detection, investigation, or prosecution of crime. *See* Gov’t Code § 552.108(a)(1). Accordingly, the DIC-24 form may not be withheld under section 552.108.

Additionally, section 552.108 does not except from disclosure “basic information about an arrested person, an arrest, or a crime.” *Id.* § 552.108(c). Section 552.108(c) refers to the basic “front-page” information held to be public in *Houston Chronicle*. *See* 531 S.W.2d at 186-187; *see also* Open Records Decision No. 127 (1976) (summarizing types of information considered to be basic information). Accordingly, with the exception of the DIC-24 form and basic information, the department may withhold the remaining submitted information under section 552.108(a)(1).

Finally, section 552.130 provides that information relating to a motor vehicle operator’s license or driver’s license issued by a Texas agency is excepted from public release.² Gov’t

²The Office of the Attorney General will raise a mandatory exception on behalf of a governmental body, but ordinarily will not raise other exceptions. *See* Open Records Decision Nos. 481 (1987), 480 (1987), 470 (1987).

Code § 552.130(a)(1). The department must withhold the driver's license number in the DIC-24 form under section 552.130.

In summary, the department must release the submitted CR-3 accident report pursuant to section 550.065(c)(4) of the Transportation Code. Except for the driver's license number that must be withheld under section 552.130 of the Government Code, the DIC-24 form must be released. Except for basic information, which must be released, the department may withhold the remaining submitted information under section 552.108(a)(1) of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.
