

ATTORNEY GENERAL OF TEXAS
GREG ABBOTT

October 31, 2011

Ms. Josette Flores
Assistant City Attorney
City of El Paso
2 Civic Center Plaza, 9th Floor
El Paso, Texas 79901

OR2011-15937

Dear Ms. Flores:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 439098.

The City of El Paso (the "city") received a request for complaints filed against a specified address during a specified time period. You claim some of the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This exception encompasses information protected by the common-law informer's privilege, which has long been recognized by Texas courts. *See Aguilar v. State*, 444 S.W.2d 935, 937 (Tex. Crim. App. 1969); *Hawthorne v. State*, 10 S.W.2d 724, 725 (Tex. Crim. App. 1928). The privilege protects from disclosure the identities of persons who report activities over which the governmental body has criminal or quasi-criminal law enforcement authority, provided the subject of the information does not already know the informer's identity. Open Records Decision Nos. 515 at 3 (1988), 208 at 1-2 (1978). The informer's privilege protects the identities of individuals who report violations of statutes to the police or similar law-enforcement agencies, as well as those who report violations of statutes with civil or criminal penalties to "administrative officials having a duty of inspection or of law enforcement within their particular spheres." Open Records Decision No. 279 at 2 (1981) (citing 8 John H. Wigmore, *Evidence in Trials at Common Law* § 2374,

at 767 (J. McNaughton rev. ed. 1961)). The report must be of a violation of a criminal or civil statute. *See* Open Records Decision Nos. 582 at 2 (1990), 515 at 4-5.

You state the submitted information reveals the identities of complainants who reported possible violations of sections 7.08.030 and 7.12.010 of the City of El Paso Code to the city's police department and the city's code enforcement officers. You explain the alleged violations are misdemeanors punishable by fines. You also inform us that you have no indication that the subject of the complaints knows the identities of the complainants. Based on your representation and our review, we conclude the city may withhold the complainants' names, addresses, and telephone numbers under section 552.101 of the Government Code in conjunction with the common-law informer's privilege. *See* Open Records Decision No. 156 (1977) (name of person who makes complaint about another individual to city's animal control division is excepted from disclosure by informer's privilege so long as information furnished discloses potential violation of state law).

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. Sincerely,

Tamara H. Holland
