

ATTORNEY GENERAL OF TEXAS
GREG ABBOTT

Ms. Linda Pemberton
Paralegal
City of Killeen
P.O. Box 1329
Killeen, Texas 76540-1329

OR2011-16562

Dear Ms. Pemberton:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 440651 (KPD #W006578 and #W006564).

The Killeen Police Department (the "department") received two requests for information pertaining to a specified incident, including any videos. You state the department has released some of the responsive information. You state the video is no longer available.¹ You claim the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted information.²

¹The Act does not require a governmental body to release information that did not exist when a request for information was received or to prepare new information in response to a request. *See Econ. Opportunities Dev. Corp. v. Bustamante*, 562 S.W.2d 266, 267-68 (Tex. Civ. App.—San Antonio 1978, writ dismissed); Open Records Decision Nos. 605 at 2 (1992), 452 at 3 (1986), 362 at 2 (1983).

²We assume that the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent that those records contain substantially different types of information than that submitted to this office.

We note that the submitted documents include a CR-3 accident report form completed pursuant to chapter 550 of the Transportation Code. *See* Transp. Code § 550.064 (officer's accident report). Section 550.065(b) states that, except as provided by subsection (c) or subsection (e), accident reports are privileged and confidential. *Id.* § 550.065(b). Section 550.065(c)(4) provides for the release of accident reports to a person who provides two of the following three pieces of information: (1) the date of the accident; (2) the name of any person involved in the accident; and (3) the specific location of the accident. *Id.* § 550.065(c)(4). Under this provision, the Texas Department of Transportation or another governmental entity is required to release a copy of an accident report to a person who provides the agency with two or more of the items of information specified by the statute. *Id.* In this instance, both requestors have provided the department with the requisite pieces of information. Although you seek to withhold this information under section 552.108 of the Government Code, we note information that is specifically made public by statute may not be withheld from the public under any of the exceptions to public disclosure under the Act. *See, e.g.,* Open Records Decision Nos. 544 (1990), 378 (1983), 161 (1977), 146 (1976). Accordingly, the department must release the submitted CR-3 accident report pursuant to section 550.065(c)(4) of the Transportation Code.

You seek to withhold the remaining information under section 552.108 of the Government Code. Section 552.108(a)(1) excepts from disclosure “[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime [if] release of the information would interfere with the detection, investigation, or prosecution of crime[.]” Gov’t Code § 552.108(a)(1). A governmental body claiming section 552.108 must reasonably explain how and why the release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). You claim that the remaining information relates to an open and pending criminal prosecution. Based upon your representation and our review, we conclude that section 552.108(a)(1) is generally applicable in this instance. *See Houston Chronicle Publ’g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests that are present in active cases), *writ ref’d n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). We note, however, that the information at issue includes a DIC-24 statutory warning and a DIC-25 notice of suspension. The department provided copies of these forms to the arrestee. You have not explained how releasing this information, which has already been seen by the arrestee, would interfere with the detection, investigation, or prosecution of crime. *See* Gov’t Code § 552.108(a)(1). Accordingly, the DIC-24 and DIC-25 forms may not be withheld under section 552.108.

Additionally, section 552.108 does not except from disclosure “basic information about an arrested person, an arrest, or a crime.” *Id.* § 552.108(c). Section 552.108(c) refers to the basic “front-page” information held to be public in *Houston Chronicle*. *See* 531 S.W.2d at 186-187; *see also* Open Records Decision No. 127 (1976) (summarizing types of information considered to be basic information). Accordingly, with the exception of the

DIC-24 and DIC-25 forms and basic information, the department may withhold the remaining submitted information under section 552.108(a)(1) of the Government Code.

Finally, we note that the DIC-24 and DIC-25 forms contain a Texas driver's license number. Section 552.130 of the Government Code provides that information relating to a motor vehicle operator's or driver's license or permit issued by an agency of this state or another state or country is excepted from public release.³ Act of May 24, 2011, 82nd Leg., R.S., S.B. 1638, § 4 (to be codified as an amendment to Gov't Code § 552.130(a)(1)). The department must withhold the driver's license number we have marked under section 552.130 of the Government Code.

In summary, the department must release the submitted CR-3 accident report to both requestors pursuant to section 550.065(c)(4) of the Transportation Code. Except for the marked Texas driver's license number, which the department must withhold under section 552.130 of the Government Code, the DIC-24 and DIC-25 forms must be released. Except for basic information, which must be released, the department may withhold the remaining submitted information under section 552.108(a)(1) of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at http://www.oag.state.tx.us/open/index_orl.php, or call the Office of the Attorney General's Open Government Hotline, toll free, at (877) 673-6839. Sincerely,

Tamara H. Holland
