Dear Ms. Champion:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 441190 (2011433).

The Victoria Police Department (the "department") received a request for information related to a specified incident. You state the department will release some of the requested information. You claim the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Initially, we note that the submitted documents include a CR-3 accident report form completed pursuant to chapter 550 of the Transportation Code. *See* Transp. Code § 550.064 (officer's accident report). Section 550.065(b) states that, except as provided by subsection (c) or subsection (e), accident reports are privileged and confidential. *Id.* § 550.065(b). Section 550.065(c)(4) provides for the release of accident reports to a person who provides two of the following three pieces of information: (1) the date of the accident; (2) the name of any person involved in the accident; and (3) the specific location of the accident. *Id.* § 550.065(c)(4). Under this provision, the Texas Department of Transportation or another governmental entity is required to release a copy of an accident report to a person who provides the agency with two or more of the items of information specified by the statute. *Id.* In this instance, the requestor has provided the department with all three of the specified items of information. Although you seek to withhold this information under

section 552.108 of the Government Code, we note information that is specifically made public by statute may not be withheld from the public under any of the exceptions to public disclosure under the Act. *See, e.g.,* Open Records Decision Nos. 544 (1990), 378 (1983), 161 (1977), 146 (1976). Accordingly, the department must release the CR-3 accident report to this requestor pursuant to section 550.065(c)(4) of the Transportation Code.

Next, we address your claim under section 552.108 of the Government Code for the remaining information. Section 552.108 excepts from disclosure “[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]” Gov’t Code § 552.108(a)(1). Generally, a governmental body claiming section 552.108(a)(1) must reasonably explain how and why the release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977).

We note that the submitted information includes a statutory warning, form DIC-24. Because a copy of this document, which we have marked, has been provided to the arrestee, we find that its release will not interfere with the detection, investigation, or prosecution of crime. *See* Gov’t Code § 552.108(a)(1). Therefore, the department may not withhold the statutory warning under section 552.108(a)(1).

You state that the remaining information relates to an open and pending criminal investigation. Based upon your representation and our review, we conclude that the release of the remaining information would interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ’g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975)(court delineates law enforcement interests that are present in active cases), *writ ref’d n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976).

However, basic information about an arrested person, an arrest, or a crime is not excepted from disclosure under section 552.108. Gov’t Code § 552.108(c). Such basic information refers to the information held to be public in *Houston Chronicle*. *See* 531 S.W.2d at 186-8; *see also* Open Records Decision No. 127 (1976) (summarizing types of information deemed public by *Houston Chronicle*). Thus, with the exception of the statutory warning and basic information, the department may withhold the remaining information under section 552.108(a)(1) of the Government Code.

We note that the statutory warning contains information that is subject to section 552.130 of the Government Code.¹ Section 552.130 excepts from public disclosure information relating to a driver’s license issued by an agency of this state or another state or country. Act of May 24, 2011, 82nd Leg., R.S., S.B. 1638, § 4 (to be codified as an amendment to Gov’t

Code § 552.130(a)(1)). Accordingly, the department must withhold the information we have marked in the statutory warning under section 552.130 of the Government Code.

In summary, the department must release the marked CR-3 accident report to this requestor pursuant to section 550.065(c)(4) of the Transportation Code. With the exception of the statutory warning and basic information, the department may withhold the remaining information under section 552.108(a)(1) of the Government Code. In releasing the statutory warning and basic information, the department must withhold the driver's license number we have marked in the statutory warning under section 552.130 of the Government Code.
