

ATTORNEY GENERAL OF TEXAS
GREG ABBOTT

November 17, 2011

Ms. Susan Fillion
Assistant County Attorney
Harris County
1019 Congress, 15th Floor
Houston, Texas 77002

OR2011-16962

Dear Ms. Fillion:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 436368 (C.A. File No. 11PIA0352).

Harris County Precinct Five Constable's Office (the "constable") received a request for the call slip for case number CE 110829900. You claim that the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses section 261.201 of the Family Code, which provides in relevant part:

(a) [T]he following information is confidential, is not subject to public release under [the Act] and may be disclosed only for purposes consistent with this code and applicable federal or state law or under rules adopted by an investigating agency:

(1) a report of alleged or suspected abuse or neglect made under this chapter and the identity of the person making the report; and

(2) except as otherwise provided in this section, the files, reports, records, communications, audiotapes, videotapes, and working papers used or developed in an investigation under this chapter or in providing services as a result of an investigation.

...

(k) Notwithstanding Subsection (a), an investigating agency, other than the [Texas Department of Family and Protective Services] or the Texas Youth Commission, on request, shall provide to the parent, managing conservator, or other legal representative of a child who is the subject of reported abuse or neglect, or to the child if the child is at least 18 years of age, information concerning the reported abuse or neglect that would otherwise be confidential under this section. The investigating agency shall withhold information under this subsection if the parent, managing conservator, or other legal representative of the child requesting the information is alleged to have committed the abuse or neglect.

Fam. Code § 261.201(a), (k). You assert, and we agree, the submitted information was used or developed in a child abuse investigation conducted by the constable. *See id.* §§ 261.001(1) (defining “abuse” for purposes of chapter 261 of Family Code), 101.003(a) (defining “child” for purposes of this section as person under 18 years of age who is not and has not been married or who has not had the disabilities of minority removed for general purposes). Thus, we find the submitted information is within the scope of section 261.201. In this instance, the requestor is the parent of the alleged child victim listed in the submitted information. However, this information reflects that the requestor is alleged to have committed the suspected abuse. Therefore, the submitted information may not be provided to the requestor pursuant to section 261.201(k). *See id.* § 261.201(k). Accordingly, we find the submitted information is confidential under section 261.201(a) of the Family Code and the constable must withhold it under section 552.101 of the Government Code. *See Open Records Decision No. 440 at 2 (1986) (predecessor statute).*¹

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at http://www.oag.state.tx.us/open/index_orl.php.

¹As our ruling is dispositive, we need not address your remaining argument against disclosure.
