OR2011-16990

Dear Mr. Specht:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 436329.

The City of Carrollton (the "city") received a request for police report number 2009-008740. You claim that the requested information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision."¹ Gov't Code § 552.101. This section encompasses information that other statutes make confidential, such as the Medical Practice Act (the "MPA"), subtitle B of title 3 of the Occupations Code. *See* Occ. Code §§ 151.001-165.160. Section 159.002 of the MPA provides, in part:

(b) A record of the identity, diagnosis, evaluation, or treatment of a patient by a physician that is created or maintained by a physician is confidential and privileged and may not be disclosed except as provided by this chapter.

¹The Office of the Attorney General will raise a mandatory exception on behalf of a governmental body, but ordinarily will not raise other exceptions. *See* Open Records Decision Nos. 481 (1987), 480 (1987), 470 (1987).

(c) A person who receives information from a confidential communication or record as described by this chapter, other than a person listed in Section 159.004 who is acting on the patient's behalf, may not disclose the information except to the extent that disclosure is consistent with the authorized purposes for which the information was first obtained.

Id. § 159.002(b), (c). Information subject to the MPA includes both medical records and information obtained from those medical records. *See id.* §§ 159.002, .004; Open Records Decision No. 598 (1991). This office has concluded the protection afforded by section 159.002 extends only to records created by either a physician or someone under the supervision of a physician. *See* Open Records Decision Nos. 487 (1987), 370 (1983), 343 (1982). This office has also determined when a file is created as the result of a hospital stay, all of the documents in the file that relate to diagnosis and treatment constitute either physician-patient communications or records of the identity, diagnosis, evaluation, or treatment of a patient by a physician that are created or maintained by a physician. *See* Open Records Decision No. 546 (1990). We note the submitted information contains the requestor's medical records, which we have marked, that are subject to the MPA. Medical records must be released upon the patient's signed, written consent, provided the consent specifies (1) the information to be covered by the release, (2) reasons or purposes for the release, and (3) the person to whom the information is to be released. Occ. Code §§ 159.004, .005. Although you seek to withhold the medical records we have marked under section 552.108 of the Government Code, a specific statutory right of access provision prevails over general exceptions to disclosure under the Act. *See* Open Records Decision No. 451 at 4 (1986) (specific statutory right of access provisions overcome general exceptions to disclosure under statutory predecessor to Act). Accordingly, the medical records we have marked may only be released in accordance with the MPA.

Section 552.108(a)(1) of the Government Code excepts from disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime ... if ... release of the information would interfere with the detection, investigation, or prosecution of crime[.]" Gov't Code § 552.108(a)(1). A governmental body must reasonably explain how and why section 552.108 is applicable to the information at issue. *See id.* § 552.301(e)(1)(A); *Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). You state the submitted information pertains to a pending investigation. Based on your representations and our review, we conclude release of this information would interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests that are present in active cases), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). Thus, section 552.108(a)(1) is applicable to the remaining information.

However, section 552.108 does not except from disclosure "basic information about an arrested person, an arrest, or a crime." Gov't Code § 552.108(c). Section 552.108(c) refers

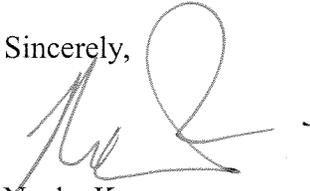

to the basic front-page information held to be public in *Houston Chronicle*. See 531 S.W.2d at 186-88; see also Open Records Decision No. 127 at 3-4 (1976) (summarizing types of information deemed public by *Houston Chronicle*). Therefore, with the exception of basic information, the city may withhold the remaining information under section 552.108(a)(1).

In summary, the city may only release the medical records we have marked in accordance with the MPA. With the exception of basic information, the city may withhold the remaining information under section 552.108(a)(1) of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
