Ms. Jennifer C. Cohen
Assistant General Counsel
Texas Department of Public Safety
P.O. Box 4087
Austin, Texas 78773-0001

OR2011-17008

Dear Ms. Cohen:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 441466 (PIR# 11-2639).

The Texas Department of Public Safety (the "department") received a request for information pertaining to a specified accident. You state you have released some of the requested information. You claim the submitted information is excepted from disclosure under sections 552.108 and 552.130 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Initially, we note the submitted information includes a CR-3 accident report form completed pursuant to chapter 550 of the Transportation Code. *See* Transp. Code § 550.064 (officer's accident report). Section 550.065(b) provides, except as provided by subsection (c) or subsection (e), accident reports are privileged and confidential. *Id.* § 550.065(b). Section 550.065(c)(4) provides for the release of accident reports to a person who provides two of the following three pieces of information: (1) the date of the accident; (2) the name of any person involved in the accident; and (3) the specific location of the accident. *Id.* § 550.065(c)(4). Under this provision, the Texas Department of Transportation or another governmental entity is required to release a copy of an accident report to a person who provides the agency with two or more of the items of information specified by the statute. *Id.* In this instance, the requestor has provided the department with two of the required pieces of information. Although the submitted information reveals you have informed the

requestor you are releasing the CR-3, you seek to withhold this information under section 552.108 of the Government Code, we note a statutory right of access generally prevails over the exceptions to public disclosure under the Act. *See, e.g.*, Open Records Decision Nos. 613 at 4 (1993) (exceptions in Act cannot impinge on statutory right of access to information), 451 (1986) (specific statutory right of access provisions overcome general exception to disclosure under the Act). Accordingly, the department must release the submitted CR-3 accident report in its entirety pursuant to section 550.065(c)(4) of the Transportation Code.

Section 552.108(a)(1) of the Government Code excepts from disclosure “[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]” Gov’t Code § 552.108(a)(1). A governmental body must reasonably explain how release of the information at issue would interfere with the detection, investigation, or prosecution of crime. *See id.* § 552.301(e)(1)(A) (governmental body must provide comments explaining why exceptions raised should apply to information requested); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). You state the information you have marked pertains to an ongoing criminal case. Based on your representation and our review of the information, we conclude release of the information at issue would interfere with the detection, investigation, or prosecution of a crime. *See Houston Chronicle Publ’g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court describes law enforcement interests that are present in active cases), *writ ref’d per curiam*, 536 S.W.2d 559 (Tex. 1976). Therefore, the department may withhold the remaining information you have marked under section 552.108(a)(1).

We note you have marked information under section 552.130 of the Government Code. Section 552.130 of the Government Code excepts from disclosure information that relates to a motor vehicle operator’s or driver’s license or permit or a motor vehicle title or registration issued by an agency of this state or another state or country. Act of May 24, 2011, 82nd Leg., R.S., S.B. 1638, § 4 (to be codified as an amendment to Gov’t Code § 552.130). The department must withhold the information you have marked under section 552.130.

In summary, the department must release the submitted CR-3 accident report in its entirety pursuant to section 550.065(c)(4) of the Transportation Code. The department may withhold the information you marked under section 552.108(a)(1) of the Government Code. The department must withhold the information you have marked under section 552.130 of the Government Code. The remaining information must be released to the requestor.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
