Assistant City Attorney
City of San Antonio

San Antonio, Texas 78283-3966

OR2011-17134

Dear Mr. Weir:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 436723 (W003214).

The City of San Antonio (the "city") received a request for information related to a specified internal affairs investigation. You claim that the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This exception encompasses information other statutes make confidential. You raise section 552.101 in conjunction with section 143.089 of the Local Government Code. You state the City of San Antonio is a civil service city under chapter 143 of the Local Government Code. Section 143.089 provides for the existence of two different types of personnel files relating to a police officer: one that must be maintained as part of the officer's civil service file and another the police department may maintain for its own internal use. *See* Local Gov't Code § 143.089(a), (g). The officer's civil service file must contain certain specified items, including commendations, periodic evaluations by the police

officer's supervisor, and documents relating to any misconduct in which the department took disciplinary action against the officer under chapter 143 of the Local Government Code. *Id.* § 143.089(a)(1)-(2). Chapter 143 prescribes the following types of disciplinary actions: removal, suspension, demotion, and uncompensated duty. *Id.* §§ 143.051-.055. In cases in which a police department investigates a police officer's misconduct and takes disciplinary action against an officer, it is required by section 143.089(a)(2) to place all investigatory records relating to the investigation and disciplinary action, including background documents such as complaints, witness statements, and documents of like nature from individuals who were not in a supervisory capacity, in the police officer's civil service file maintained under section 143.089(a). *See Abbott v. Corpus Christi*, 109 S.W.3d 113, 122 (Tex. App.—Austin 2003, no pet.). All investigatory materials in a case resulting in disciplinary action are "from the employing department" when they are held by or are in the possession of the department because of its investigation into a police officer's misconduct, and the department must forward them to the civil service commission for placement in the civil service personnel file. *Id.* Such records may not be withheld under section 552.101 of the Government Code in conjunction with section 143.089 of the Local Government Code. *See Local Gov't Code* § 143.089(f); Open Records Decision No. 562 at 6 (1990). However, information maintained in a police department's internal file pursuant to section 143.089(g) is confidential and must not be released.¹ *City of San Antonio v. Tex. Attorney Gen.*, 851 S.W.2d 946, 949 (Tex. App.—Austin 1993, writ denied).

You inform us the submitted information consists of internal files maintained by the city's police department under section 143.089(g) in connection with the employment of the officers whose information is at issue. You do not state, nor does the submitted information reveal, the internal affairs investigation at issue has concluded, or that it has resulted in disciplinary action. Based on your representations and our review, we agree the submitted information is confidential pursuant to section 143.089(g) of the Local Government Code and must be withheld under section 552.101 of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.
