

ATTORNEY GENERAL OF TEXAS
GREG ABBOTT

November 29, 2011

Mr. Michael M. Kelly
Assistant Criminal District Attorney
Victoria County
205 North Bridge Street, Suite 301
Victoria, Texas 77901

OR2011-17536

Dear Mr. Kelly:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 442698.

The Victoria County District Attorney's Office (the "district attorney") received a request for twenty-three categories of information pertaining to a specified accident. You claim the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted representative sample of information.¹

Initially, we note the submitted information includes an CR-3 accident report form completed pursuant to chapter 550 of the Transportation Code. *See* Transp. Code § 550.064 (officer's accident report). Section 550.065(b) provides, except as provided by subsection (c) or subsection (e), accident reports are privileged and confidential. *Id.* § 550.065(b). Section 550.065(c)(4) provides for the release of accident reports to a person who provides two of the following three pieces of information: (1) the date of the accident; (2) the name of any person involved in the accident; and (3) the specific location of the accident. *Id.*

¹We assume the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and, therefore, does not authorize the withholding of, any other requested records to the extent those records contain substantially different types of information than that submitted to this office.

§ 550.065(c)(4). Under this provision, the Texas Department of Transportation or another governmental entity is required to release a copy of an accident report to a person who provides the agency with two or more of the items of information specified by the statute. *Id.* In this instance, the requestor has provided the district attorney with the required pieces of information. Although you seek to withhold this information under section 552.108 of the Government Code, the exceptions found in the Act generally do not apply to information that is made public by other statutes. *See, e.g.,* Open Records Decision Nos. 544 (1990), 378 (1983), 161 (1977), 146 (1976). Accordingly, the district attorney must release the submitted CR-3 accident report in its entirety pursuant to section 550.065(c)(4) of the Transportation Code.

Next, we address your claim under section 552.108 of the Government Code for the remaining information. Section 552.108(a)(1) excepts from disclosure “[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]” Gov’t Code § 552.108(a)(1). Generally, a governmental body claiming section 552.108(a)(1) must reasonably explain how and why the release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). You state the remaining information relates to a criminal investigation that is pending review to determine what charges, if any, will arise. Based upon your representation and our review, we conclude the release of the remaining information would interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ’g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975)(court delineates law enforcement interests that are present in active cases), *writ ref’d n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). Thus, section 552.108(a)(1) is applicable to the remaining information.

However, section 552.108 does not except from disclosure basic information about an arrested person, an arrest, or a crime. Gov’t Code § 552.108(c). Basic information refers to the information held to be public in *Houston Chronicle*. *See* 531 S.W.2d at 186-87; Open Records Decision No. 127 at 3-4 (1976) (summarizing types of information deemed public by *Houston Chronicle*). Therefore, with the exception of basic information, the district attorney may withhold the remaining information under section 552.108(a)(1).

In summary, the district attorney must release the CR-3 crash report in its entirety pursuant to section 550.065 of the Transportation Code. Except for basic information, the district attorney may withhold the remaining information under section 552.108(a)(1) of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
