

ATTORNEY GENERAL OF TEXAS
GREG ABBOTT

November 30, 2011

Mr. Ronald J. Bounds
Assistant City Attorney
City of Corpus Christi
P.O. Box 9277
Corpus Christi, Texas 78469-9277

OR2011-17617

Dear Mr. Bounds:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 439712.

The Corpus Christi Police Department (the "department") received a request for the requestor's police records. You state you will release some information to the requestor. You claim portions of the submitted information are excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.108(b)(1) of the Government Code excepts from disclosure the internal records and notations of law enforcement agencies and prosecutors when their release would interfere with law enforcement and crime prevention. Gov't Code § 552.108(b)(1); *see also* Open Records Decision No. 531 at 2 (1989). Section 552.108(b)(1) is intended to protect "information which, if released, would permit private citizens to anticipate weaknesses in a police department, avoid detection, jeopardize officer safety, and generally undermine police efforts to effectuate the laws of this State." *City of Ft. Worth v. Cornyn*, 86 S.W.3d 320 (Tex. App.—Austin 2002, no pet.). To demonstrate the applicability of this exception, a governmental body must meet its burden of explaining how and why release of the requested information would interfere with law enforcement and crime prevention. Open Records Decision No. 562 at 10 (1990). This office has concluded section 552.108(b)(1) excepts from public disclosure information relating to the security or operation of a law enforcement agency. *See, e.g.*, Open Records Decision Nos. 531 (release of detailed use of force guidelines would unduly interfere with law enforcement), 252 (1980) (section 552.108 is

designed to protect investigative techniques and procedures used in law enforcement), 143 (1976) (disclosure of specific operations or specialized equipment directly related to investigation or detection of crime may be excepted). Section 552.108(b)(1) is not applicable, however, to generally known policies and procedures. *See, e.g.*, ORD 531 at 2-3 (Penal Code provisions, common law rules, and constitutional limitations on use of force not protected), 252 at 3 (governmental body failed to indicate why investigative procedures and techniques requested were any different from those commonly known). You state the information you have marked reveals the identity of an undercover officer. You explain that revealing the identity of this officer would reveal the officer's sensitive assignments, law enforcement methods, techniques, and strategies, which would greatly compromise the security and operations of the department. Based on your representations and our review, we agree the department may withhold the information you have marked under section 552.108(b)(1) of the Government Code. As you raise no further exceptions to disclosure, the remaining information must be released.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at http://www.oag.state.tx.us/open/index_orl.php, or call the Office of the Attorney General's Open Government Hotline, toll free, at (877) 673-6839. Questions concerning the allowable charges for providing public information under the Act must be directed to the Cost Rules Administrator of the Office of the Attorney General, toll free at (888) 672-6787.

Sincerely,

Kirsten Brew
