Ms. Sharon Alexander

Texas Department of Transportation

OR2011-18019

Dear Ms. Alexander:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 443680.

The Texas Department of Transportation (the "department") received a request for barricade reports and the traffic control plan for a specified project. You state you are releasing some of the requested information. You claim the submitted information is excepted from disclosure under section 552.111 of the Government Code and confidential under section 409 of title 23 of the United States Code. We have considered your arguments and reviewed the submitted information.<sup>1</sup>

We note the submitted traffic control devices inspection checklists fall within the scope of section 552.022(a)(1) of the Government Code. Section 552.022(a) provides in relevant part the following:

Without limiting the amount or kind of information that is public information under this chapter, the following categories of information are public

---

<sup>1</sup>This letter ruling assumes the submitted representative sample of information is truly representative of the requested information as a whole. This ruling neither reaches nor authorizes the department to withhold any information that is substantially different from the submitted information. See Gov't Code §§ 552.301(e)(1)(D), .302; Open Records Decision Nos. 499 at 6 (1988), 497 at 4 (1988).

information and not excepted from required disclosure unless made confidential under this chapter or other law:

- (1) a completed report, audit, evaluation, or investigation made or for, or by a governmental body, except as provided by Section 552.108[.]

Act of May 30, 2011, 82nd Leg., R.S., S.B. 602, § 2 (to be codified as an amendment to Gov't Code § 552.022(a)). Although you seek to withhold the submitted information under section 552.111 of the Government Code, this section is discretionary and does not make information confidential under the Act. *See* Gov't Code § 552.007; Open Records Decision Nos. 665 at 2 n.5 (2000) (discretionary exceptions generally), 470 at 7 (1987) (statutory predecessor to Gov't Code § 552.111 subject to waiver). Therefore, the department may not withhold any of the submitted information under section 552.111 of the Government Code.

You also contend, however, the submitted information is confidential under section 409 of title 23 of the United States Code, which is "other law" for purposes of section 552.022 of the Government Code. *See In re City of Georgetown*, 53 S.W.3d 328 (Tex. 2001); *see also Pierce County v. Guillen*, 123 S.Ct. 720 (2003) (upholding constitutionality of section 409, relied on by county in denying request under state's Public Disclosure Act). Section 409 provides that

[n]otwithstanding any other provision of law, reports, surveys, schedules, lists, or data compiled or collected for the purpose of identifying, evaluating, or planning the safety enhancement of potential accident sites, hazardous roadway conditions, or railway-highway crossings, pursuant to sections 130, 144, and 152 of this title or for the purpose of developing any highway safety construction improvement project which may be implemented utilizing Federal-aid highway funds shall not be subject to discovery or admitted into evidence in a Federal or State court proceeding or considered for other purposes in any action for damages arising from any occurrence at a location mentioned or addressed in such reports, surveys, schedules, lists, or data.

23 U.S.C. § 409. You state the submitted information relates to a highway that is part of the national highway system under section 103 of title 23 of the United States Code and is therefore a federal-aid highway for the purposes of section 409 of title 23. You explain the submitted information was generated for highway safety purposes. Based on your representations, we conclude the submitted information is confidential under section 409 of title 23 of the United States Code and must be withheld from the requestor on that basis.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at [http://www.oag.state.tx.us/open/index\\_orl.php](http://www.oag.state.tx.us/open/index_orl.php), or call the Office of the Attorney General's Open Government Hotline, toll free, at (877) 673-6839.
