

ATTORNEY GENERAL OF TEXAS

December 14, 2011

Mr. Ronald J. Bounds
Assistant City Attorney
City of Corpus Christi
P.O. Box 9277
Corpus Christi, Texas 78469-9277

OR2011-18410

Dear Mr. Bounds:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 440282.

The Corpus Christi Police Department (the "department") received a request for the 9-1-1 CD for a specified case number involving a named individual. You claim a portion of the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Initially, we note a portion of one of the submitted audio recordings, which we have indicated, is not responsive to the instant request because it does not pertain to the specified case number involving the named individual. This ruling does not address the public availability of any information that is not responsive to the request, and the department need not release such information.

The submitted information includes the telephone number of a 9-1-1 caller. In Open Records Letter No. 2011-16393 (2011), this office issued a previous determination to the department authorizing the department to withhold the originating telephone number and address of a 9-1-1 caller furnished to the department by a service supplier established in accordance with chapter 772 of the Health and Safety Code under section 552.101 of the Government Code in conjunction with section 772.318 of the Health and Safety Code without requesting a decision from this office. *See* Gov't Code § 552.301(a); Open Records Decision No. 673

(2001) (listing elements of second type of previous determination under section 552.301(a) of the Government Code). You state the telephone number in the submitted information is the originating telephone number of a 9-1-1 caller furnished by a service supplier established in accordance with chapter 772. As such, the department must withhold the telephone number we have indicated in the submitted audio recording in accordance with the previous determination issued to the department in Open Records Letter No. 2011-16393. The remaining information must be released.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at http://www.oag.state.tx.us/open/index_orl.php, or call the Office of the Attorney General's Open Government Hotline, toll free, at (877) 673-6839. Sincerely,

Melanie J. Villars
