Mr. Mark A. Booker

Garland Independent School District

OR2011-18515

Dear Mr. Booker:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 440270.

The Garland Independent School District (the "district") received a request for proposals submitted by ExtremeTix and Etix in response to the district's request for proposals related to on-line ticketing services. You state some responsive information is being released to the requestor. Although you take no position with respect to the public availability of the submitted information, you state, and provide documentation showing, you have notified Etix of the request and of its right to submit arguments to this office as to why the submitted information should not be released. *See Gov't Code § 552.305(d); see also* Open Records Decision No. 542 (1990) (determining that statutory predecessor to section 552.305 permits governmental body to rely on interested third party to raise and explain the applicability of exception to disclose under Act in certain circumstances). We have reviewed the submitted information.

An interested third party is allowed ten business days after the date of its receipt of a governmental body's notice under section 552.305(d) of the Government Code to submit its reasons, if any, as to why requested information relating to that party should be withheld from disclosure. *See Gov't Code § 552.305(d)(2)(B)*. As of the date of this letter, Etix has not submitted comments to this office explaining why any portion of the submitted information relating to it should not be released to the requestor. Thus, we have no basis to conclude that the release of any portion of the submitted information would implicate Etix's interests, and no part of the information may be withheld on that basis. *See id.* § 552.110;

Open Records Decision Nos. 661 at 5-6 (1999) (stating that business enterprise that claims exception for commercial or financial information under section 552.110(b) must show by specific factual evidence that release of requested information would cause that party substantial competitive harm), 552 at 5 (1990) (party must establish *prima facie* case that information is trade secret). As no exception to disclosure has been raised, the submitted information must be released.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at [http://www.oag.state.tx.us/open/index\\_orl.php](http://www.oag.state.tx.us/open/index_orl.php), or call the Office of the Attorney General's Open Government Hotline, toll free, at (877) 673-6839. Questions concerning the allowable charges for providing public information under the Act must be directed to the Cost Rules Administrator of the Office of the Attorney General, toll free, at (888) 672-6787.

Sincerely,

Cindy Nettles  
Assistant Attorney General
