

ATTORNEY GENERAL OF TEXAS
GREG ABBOTT

December 19, 2011

Mr. Charles Weir
Assistant City Attorney
City of San Antonio
P.O. Box 839966
San Antonio, Texas 78283

OR2011-18668

Dear Mr. Weir:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 444193 (COSA File No. W004254).

The San Antonio Police Department (the "department") received a request for information pertaining to a specified accident. You claim the requested information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

We note that the submitted documents include a CR-3 accident report form completed pursuant to chapter 550 of the Transportation Code. *See* Transp. Code § 550.064 (officer's accident report). Section 550.065(b) states that, except as provided by subsection (c) or subsection (e), accident reports are privileged and confidential. *Id.* § 550.065(b). Section 550.065(c)(4) provides for the release of accident reports to a person who provides two of the following three pieces of information: (1) the date of the accident; (2) the name of any person involved in the accident; and (3) the specific location of the accident. *Id.* § 550.065(c)(4). Under this provision, the Texas Department of Transportation or another governmental entity is required to release a copy of an accident report to a person who provides the agency with two or more of the items of information specified by the statute. *Id.* In this instance, the requestor has provided the department with the requisite pieces of information. Although you seek to withhold this information under section 552.108 of the

Government Code, we note information that is specifically made public by statute may not be withheld from the public under any of the exceptions to public disclosure under the Act. *See, e.g.*, Open Records Decision Nos. 544 (1990), 378 (1983), 161 (1977), 146 (1976). Accordingly, the department must release the submitted CR-3 accident report pursuant to section 550.065(c)(4) of the Transportation Code.

We also some of the submitted information is subject to section 552.022 of the Government Code. Section 552.022(a) provides in relevant part the following:

Without limiting the amount or kind of information that is public information under this chapter, the following categories of information are public information and not excepted from required disclosure unless made confidential under this chapter or other law:

...

(17) information that is also contained in a public court record[.]

Gov't Code § 552.022(a)(17). The submitted information includes documents that have been filed with a court and are subject to section 552.022(a)(17). Although you seek to withhold this information under section 552.108 of the Government Code, this section is discretionary and does not make information confidential under the Act. *Id.* §§ 3-21, 23-26, 28-37 (providing for “confidentiality” of information under specified exceptions); *see* Open Records Decision Nos. 665 at 2 n.5 (2000) (discretionary exceptions generally), 177 at 3 (1977) (statutory predecessor to section 552.108 subject to waiver). As such, the court-filed documents, which we have marked, may not be withheld under section 552.108. However, because information subject to section 552.022(a)(17) may be withheld under section 552.130 of the Government Code, we will consider the applicability of this exception to the court-filed documents.¹

You seek to withhold the remaining information under section 552.108 of the Government Code. Section 552.108(a)(1) excepts from disclosure “[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime [if] release of the information would interfere with the detection, investigation, or prosecution of crime.” Gov't Code § 552.108(a)(1). A governmental body claiming section 552.108 must reasonably explain how and why the release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). You state that the remaining

¹The Office of the Attorney General will raise a mandatory exception on behalf of a governmental body, but ordinarily will not raise other exceptions. *See* Open Records Decision Nos. 481 (1987), 480 (1987), 470 (1987).

information relates to an open and pending criminal investigation. Based upon your representation and our review, we conclude that section 552.108(a)(1) is generally applicable in this instance. See *Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests that are present in active cases), *writ ref'd n.r.e. per curium*, 536 S.W.2d 559 (Tex. 1976). We note, however, that the information at issue includes a DIC-24 statutory warning and a DIC-25 notice of suspension. The department provided copies of these forms to the arrestee. You have not explained how releasing this information, which has already been seen by the arrestee, would interfere with the detection, investigation, or prosecution of crime. See Gov't Code § 552.108(a)(1). Accordingly, the DIC-24 and DIC-25 forms may not be withheld under section 552.108.

Additionally, section 552.108 does not except from disclosure “basic information about an arrested person, an arrest, or a crime.” *Id.* § 552.108(c). Section 552.108(c) refers to the basic “front-page” information held to be public in *Houston Chronicle*. See 531 S.W.2d at 186-187; see also Open Records Decision No. 127 (1976) (summarizing types of information considered to be basic information). Accordingly, with the exception of the DIC-24 and DIC-25 forms and basic information, the department may withhold the remaining submitted information under section 552.108(a)(1) of the Government Code.

Finally, section 552.130 of the Government Code provides that information relating to a motor vehicle operator's license or driver's license issued by a Texas agency is excepted from public release. Gov't Code § 552.130(a)(1). The department must withhold the information we have marked under section 552.130 in the court documents and the DIC-24 and DIC-25 forms.

In summary, the department must release the submitted CR-3 accident report pursuant to section 550.065(c)(4) of the Transportation Code. Except for the information we have marked under section 552.130 of the Government Code, the marked court documents and the DIC-24 and DIC-25 forms must be released. Except for basic information, which must be released, the department may withhold the remaining submitted information under section 552.108(a)(1) of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.
