Dear Ms. Badillo:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 445368.

The Leander School District (the "district") received a request for copies of specified grievance hearings conducted before the district's school board. You claim the requested information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This exception encompasses information other statutes make confidential. You raise section 552.101 in conjunction with section 551.104 of the Open Meetings Act for the requested tape recording of a closed meeting.¹ Section 551.104 provides, in part, "[t]he certified agenda or tape of a closed meeting is available for public inspection and copying only under a court order issued under Subsection (b)(3)." *Id.* §551.104(c). Thus, such information cannot be released to a member of the public in response to an open records request. *See* Attorney General Opinion JM-995 at 5-6 (1988) (public disclosure of certified agenda of closed meeting may be accomplished only under procedures provided in Open Meetings Act). Section 551.146 of the Open Meetings Act makes it a criminal offense to

¹We note the district is not required to submit the certified agenda or tape of a closed meeting to this office for review. *See* Open Records Decision No. 495 at 4 (1988) (attorney general lacks authority to review certified agendas or tapes of executive sessions to determine whether a governmental body may withhold such information under statutory predecessor to Gov't Code § 552.101).

disclose a certified agenda or tape recording of a lawfully closed meeting to a member of the public. *See* Gov't Code § 551.146(a)-(b); *see also* Open Records Decision No. 495 at 4 (1988) (attorney general lacks authority to review certified agendas or tapes of executive sessions to determine whether governmental body may withhold such information under statutory predecessor to Gov't Code § 552.101). You indicate the information at issue constitutes a tape recording of a closed meeting. Thus, the district must withhold the requested information under section 552.101 of the Government Code in conjunction with section 551.104 of the Government Code.²

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. ²We note that the United States Department of Education Family Policy Compliance Office (the "DOE") has informed this office that if a state law prohibits a school district from providing a parent with access to the education records of his or her child and an opportunity to inspect and review the record, then the state statute conflicts with the Family Educational Rights and Privacy Act ("FERPA"), section 1232g of title 20, and an educational agency or institution must comply with FERPA if it wishes to continue to receive federal education funds. Letter advisement from Ellen Campbell, Family Compliance Office, U.S. Department of Education to Robert Patterson, Open Records Division, Office of the Texas Attorney General (April 9, 2001). *See Equal Employment Opportunity Comm'n v. City of Orange*, 905 F. Supp 381, 382 (E.D. Tex. 1995); Open Records Decision No. 431 (1985) (FERPA prevails when in conflict with state law). Because the educational authority in possession of the education records is now responsible for determining the applicability of FERPA, we only address your claimed exception to the disclosure of the requested information.
