OR2012-00650

Dear Mr. Weir:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the “Act”), chapter 552 of the Government Code. Your request was assigned ID# 447121 (COSA File No. W004870).

The City of San Antonio (the “city”) received a request for a specified police report. You claim the requested information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the information you submitted.

Section 552.108 of the Government Code excepts from disclosure “[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]” Gov’t Code § 552.108(a)(1). A governmental body must reasonably explain how and why section 552.108 is applicable to the information at issue. *See id.* § 552.301(e)(1)(A); *Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). You state release of the submitted information would interfere with an open criminal case. Based on your representation, we conclude section 552.108(a)(1) is generally applicable to the information at issue. *See Houston Chronicle Publ’g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests present in active cases), *writ ref’d n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976).

We note the information at issue includes a statutory warning and a notice of suspension. Because copies of those documents are provided to the person who is the subject of the warning and the notice, we find release of the statutory warning and the notice of suspension will not interfere with the detection, investigation, or prosecution of crime. *See* Gov't Code § 552.108(a)(1). Therefore, the statutory warning and the notice of suspension may not be withheld under section 552.108.

We also note section 552.108 does not except from disclosure “basic information about an arrested person, an arrest, or a crime.” *Id.* § 552.108(c). Section 552.108(c) refers to the basic front-page offense and arrest information held to be public in *Houston Chronicle*. *See* 531 S.W.2d at 186-88; Open Records Decision No. 127 at 3-4 (1976) (summarizing types of information deemed public by *Houston Chronicle*). The city must release basic information, including a detailed description of the offense, even if the information does not literally appear on the front page of an offense or arrest report. Except for basic information, the statutory warning, and the notice of suspension, the city may withhold the submitted information under section 552.108(a)(1) of the Government Code.

Lastly, we note the statutory warning and the notice of suspension contain a driver's license number. Section 552.130 of the Government Code excepts from disclosure information related to a motor vehicle operator's or driver's license or permit issued by an agency of this state or another state or country.<sup>1</sup> *See* Gov't Code § 552.130(a)(1). The city must withhold the driver's license number under section 552.130 of the Government Code.

In summary, the city (1) may withhold the submitted information under section 552.108(a)(1) of the Government Code, except for the statutory warning, the notice of suspension, and basic information under section 552.108(c); (2) must withhold the driver's license number in the statutory warning and the notice of suspension under section 552.130 of the Government Code; and (3) must release the remaining information in the statutory warning and the notice of suspension.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

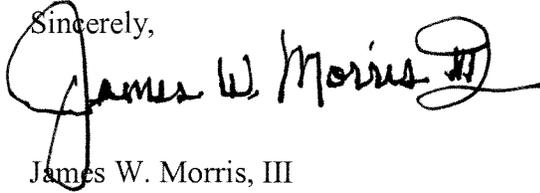

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
