Mr. Mark G. Mann
Assistant City Attorney
City of Garland
P.O. Box 469002

OR2012-00669

Dear Mr. Mann:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 442364 (GCA 11-0861).

The Garland Police Department (the "department") received a request for all incident reports pertaining to a specified incident involving a named individual. You claim the submitted incident report is excepted from disclosure under sections 552.101 and 552.108 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses information made confidential by other statutes, such as section 261.201(a) of the Family Code, which provides:

(a) [T]he following information is confidential, is not subject to public release under [the Act], and may be disclosed only for purposes consistent with this code and applicable federal or state law or under rules adopted by an investigating agency:

(1) a report of alleged or suspected abuse or neglect made under this chapter and the identity of the person making the report; and

(2) except as otherwise provided in this section, the files, reports, records, communications, audiotapes, videotapes, and working papers used or developed in an investigation under this chapter or in providing services as a result of an investigation.

Fam. Code § 261.201(a). You state the submitted incident report pertaining to case number 2011R017792 was used or developed in an investigation by the department of alleged or suspected child abuse. *See id.* § 261.001(1) (defining “abuse” for purposes of Fam. Code ch. 261); *see also id.* § 101.003(a) (defining “child” for purposes of this section as person under 18 years of age who is not and has not been married or who has not had the disabilities of minority removed for general purposes). Based on your representations and our review, we find the report is within the scope of section 261.201 of the Family Code. You have not indicated the department has adopted a rule that governs the release of this type of information; therefore, we assume no such regulation exists. Given that assumption, the department must withhold the submitted incident report in its entirety under section 552.101 of the Government Code in conjunction with section 261.201 of the Family Code. *See Open Records Decision No. 440 at 2 (1986) (predecessor statute).* As our ruling is dispositive, we need not address your remaining argument against disclosure.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
