OR2012-01129

Dear Mr. Griffith:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 448080 (ORR# 10-4820).

The McKinney Police Department (the "department"), which you represent, received a request for information involving a named individual. You claim the requested information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the information you submitted.

We note, and you acknowledge, the submitted information is generally confidential under section 58.007 of the Family Code.¹ Section 58.007 provides in part:

(c) Except as provided by Subsection (d), law enforcement records and files concerning a child and information stored, by electronic means or otherwise, concerning the child from which a record or file could be generated may not be disclosed to the public and shall be:

(1) if maintained on paper or microfilm, kept separate from adult files and records;

(2) if maintained electronically in the same computer system as records or files relating to adults, be accessible under controls that are

separate and distinct from controls to access electronic data concerning adults; and

(3) maintained on a local basis only and not sent to a central state or federal depository, except as provided by Subchapters B, D, and E.

...

(e) Law enforcement records and files concerning a child may be inspected or copied by a juvenile justice agency as that term is defined by Section 58.101, a criminal justice agency as that term is defined by Section 411.082, Government Code, the child, and the child's parent or guardian.

...

(j) Before a child or a child's parent or guardian may inspect or copy a record or file concerning the child under Subsection (e), the custodian of the record or file shall redact:

(1) any personally identifiable information about a juvenile suspect, offender, victim, or witness who is not the child; and

(2) any information that is excepted from required disclosure under [the Act] or other law.

Fam. Code § 58.007(c), (e), (j); *see id.* § 51.03(a)-(b) (defining "delinquent conduct" and "conduct indicating need for supervision" for purposes of Fam. Code tit. 3). Section 58.007(c) is applicable to records of juvenile conduct that occurred on or after September 1, 1997. *See Act of June 2, 1997, 75th Leg., R.S., ch. 1086, §§ 20, 55(a), 1997 Tex. Gen. Laws 4179, 4187, 4199; Open Records Decision No. 644 (1996).* The juvenile must have been at least 10 years old and less than 17 years of age when the conduct occurred. *See Fam. Code § 51.02(2)* (defining "child" for purposes of Fam. Code title 3). Section 58.007(c) is not applicable to information that relates to a juvenile as a complainant, victim, witness, or other involved party and not as a suspect or offender. We agree the submitted information involves a juvenile suspect or offender, so as to be generally confidential under section 58.007(c). In this instance, however, the requestor is a parent of the juvenile involved and, as such, has a right to inspect law enforcement records concerning his child under section 58.007(e). *See id.* § 58.007(e). Section 58.007(j) provides, however, that information subject to any other exception to disclosure under the Act or other law must be redacted. *See id.* § 58.007(j)(2). Therefore, we will address your claim under section 552.108 of the Government Code.

Section 552.108(a)(2) excepts from disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . .

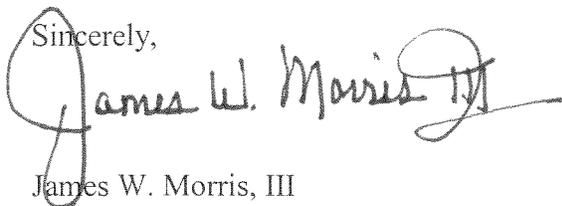

if . . . it is information that deals with the detection, investigation, or prosecution of crime only in relation to an investigation that did not result in conviction or deferred adjudication[.]” Gov’t Code § 552.108(a)(2). A governmental body must reasonably explain how and why section 552.108 is applicable to the information at issue. *See id.* § 552.301(e)(1)(A); *Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). You state the submitted information is related to concluded cases that did not result in a conviction or a deferred adjudication. Based on your representation, we conclude section 552.108(a)(2) is generally applicable to the submitted information.

We note section 552.108 does not except from disclosure “basic information about an arrested person, an arrest, or a crime.” Gov’t Code § 552.108(c). Section 552.108(c) refers to the basic front-page information held to be public in *Houston Chronicle* and includes a detailed description of the offense. *See* 531 S.W.2d at 186-88; Open Records Decision No. 127 at 3-4 (1976) (summarizing types of information deemed public by *Houston Chronicle*). In this instance, the submitted information includes computer-assisted-dispatch (“CAD”) records. In Open Records Decision No. 649 (1996), this office concluded information contained in a CAD report is substantially the same as basic information. *See* ORD 649 at 3; *see also* Open Records Decision No. 394 at 3 (1983) (there is no qualitative difference between information contained in radio cards or radio logs and front-page offense report information expressly held to be public in *Houston Chronicle*; thus, such information is generally public). Therefore, except for basic information under section 552.108(c), the department may withhold the submitted information under section 552.108(a)(2) of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
