Ms. Linda M. Champion
Assistant City Attorney
City of Victoria

OR2012-01509

Dear Ms. Champion:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 443980.

The City of Victoria (the "city") received a request for a specified incident report. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the claimed exception and reviewed the submitted information.

Section 552.101 of the Government Code excepts from public disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses information made confidential by other statutes, such as section 58.007 of the Family Code. Section 58.007 provides, in relevant part:

(c) Except as provided by Subsection (d), law enforcement records and files concerning a child and information stored, by electronic means or otherwise, concerning the child from which a record or file could be generated may not be disclosed to the public and shall be:

(1) if maintained on paper or microfilm, kept separate from adult files and records;

(2) if maintained electronically in the same computer system as records or files relating to adults, be accessible under controls that are separate and distinct from controls to access electronic data concerning adults; and

(3) maintained on a local basis only and not sent to a central state or federal depository, except as provided by Subchapters B, D, and E.

Fam. Code § 58.007(c). Thus, under section 58.007, law enforcement records relating to a juvenile engaged in delinquent conduct or conduct indicating a need for supervision on or after September 1, 1997, are confidential. *See id.* § 51.03(a)-(b) (defining “delinquent conduct” and “conduct indicating a need for supervision”). For purposes of section 58.007(c), a “child” is a person who is ten years of age or older and under seventeen years of age at the time the conduct occurred. *See id.* § 51.02(2). However, section 58.007(c) does not apply to information that relates to a juvenile as a complainant, victim, witness, or other involved party and not as a suspect or offender. The submitted report involves a juvenile only as a witness. Therefore, we find the submitted information does not involve a juvenile suspect or offender for purposes of section 58.007. Accordingly, the submitted report is not confidential under section 58.007(c) and may not be withheld under section 552.101 on that basis.

We note a portion of the remaining information is protected by section 552.130 of the Government Code.¹ Section 552.130 of the Government Code exempts from disclosure information that relates to a motor vehicle operator’s or driver’s license, title, or registration issued by an agency of this state or another state or country. Gov’t Code § 552.130(a)(1)-(2). Therefore, the city must withhold the information we have marked under section 552.130. As no additional exceptions to disclosure are raised, the remaining information must be released to the requestor.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
